

The House Rules Committee of the Student Government Association has set up a new series of House Rules that will be used to govern the use of the student union building.

HOUSE RULES

2. Papers and other trash should be placed in waste cans and dinner-ware should be returned to the kitchen.
3. The cafeteria shall be used for dining purposes only between the hours of 11:30 to 1:00.
4. Gambling will not be permitted or tolerated at any time.
5. Students are advised that they will be held responsible for all damages to SUB property.

In addition to these rules, we feel it would be wise to publish some of the unwritten rules of the SUB.

1. Please, clean off your tables when through using.
2. Keep feet off furniture.
3. Take care of the chess, checkers and cards. They are for your enjoyment and no more will be purchased this semester.
4. Cut-out the profanity.
5. Hang up coats.
6. Do not eat lunches in the game room or in the lounge.

Lunches that are now being stored in the closet on the second floor of the Administration Building must be moved to the racks provided in the game room of the SUB. In a few weeks, all lunches left in the closet in the Administration Building are going to be confiscated and turned into the office.

Students, please co-operate in keeping your campus looking presentable...
