Administrative News
Released.....

Mr. Frank Kostos, Sr., the Administrative Head at Highacres, has released the following news for publication:

Arrangements are being made to complete furnishing the Record Room in the SUB and orders have been processed for drapery in the lounge;

Quotations are being received from various contractors for installation of asphalt walks around the west and north ends of the SUB. work will proceed as soon as the weather gets "springier". In the same vein, the contractor who erected our building is aware of the few minor repairs needed due to sinking ground, faulty workmanship, etc., and he will make repairs when the weather is suitable.

The beautiful furniture in the SUB lounge was purchased with a donation from the Lions Club and a supplement in the form of our "reserve fund". Our heartiest thanks to the members of the Lions Club! Incidentally, we can expect more cocktail (coffee) tables in the near future. They have been ordered but the dealer did not have them in stock.

We here at the campus would like to welcome two new instructors, Dr. Wm. Herr and Mr. Charles Butler. Dr. Herr is teaching Education 14, Philosophy of Education. Mr. Butler is teaching the Associate Degree students IE 805 (Economics of Industry).
