

Mrs. Ferry, Highacres Librarian, has issued the following library news:

Many students are still not familiar with the location of the books in the library. All fiction and biographies are located in the large reading room, reserve books are located in the check-out office. The reference room contains all encyclopedias and other reference books. The room in the basement contains all non-fiction from 370 on up.

Located to the left of the check-out counter are two large metal cabinets containing eight large drawers chock-full of tidbits of invaluable material. This is the CIRCULAR FILE and the information it contains may be taken out. If you are writing a term paper, reports, etc., make sure you check the Circular File first.
