November 9, 1959

The EAGLES took the BOOTLEGGERS, 36-29, in an exciting contest. Mikulak and Flesher each scored ten points for the winners while Rodzewich led the BOOTLEGGERS cause with ten points. The BOOTLEGGERS have now been eliminated from competition.

The MINERS-TORREROS game was forfeited to the MINERS. Having two losses the TORREROS are also eliminated from competition.

November 16, 1959

The fired-up EAGLES clipped the MINERS, 31-24, in a see-saw battle. Weiss was high man for the MINERS with thirteen points. Mikulack, the EAGLES' ace, swished the nets for twelve counters.

In the second contest, the RUMRUNNERS up-ended the HAWKS, 66-56. Despite the addition of Big Jim Szezecina, former Summit Hill H.S. star, to the roster, the HAWKS just couldn't catch the RUMRUNNERS. Big Jim was a menace on the backboards most of the evening, although Fulton was high man in the scoring department with twenty-nine points. Tacome, also an excellent ballplayer, garnered twenty-six points for the improving RUMRUNNERS.
