

WHAT EXACTLY IS THE RED CROSS
BLOOD ASSURANCE PLAN FOR OUR
COLLEGE?

It is a feature of our health department at Highacres to belong to the Red Cross blood assurance program. Ten percent for six months and twenty percent for a year of our student, faculty, and staff enrollment donate a pint of blood at a scheduled time in the Fall and Spring Semesters.

In return, we have blood receipts in the dispensary and office available to our students and staff and their immediate families.

In case a student or a member of his immediate family is out of the Northeastern district and meets with an accident and needs blood, your chairman contacts the Red Cross, who in turn sends the necessary credentials to the hospital, and they receive donations regardless of location. Miami, Florida is not too far away for our Red Cross contact; in fact, we have had such a contact.

Your college was the first in this region to join this Blood Program, and we have had splendid cooperation over a period of eight years in the collection of donors to fulfill our obligation.

Our fall schedule has been set up for October 25, 10:45 A.M. to 4:45 P.M. at the YWCA, 228 West Broad Street, Hazleton, Pa. You can obtain donor pledge cards from Mr. Kidd in the Student Union Building or Mrs. Kostenbader in the dispensary. Parental release cards must accompany the pledge cards (if you are under twenty-one years of age) and both returned to Mrs. Kostenbader in the dispensary to schedule your time for donation. This time must not conflict with your classes.

Other members of the Blood Program Committee are: Mr. Terry

Lindemuth, President of the Student Council, Mr. Bernie Bartos, Mr. Steve Gladis, and Miss Donota Matteo.

Further information can be obtained by consulting Mrs. Kostenbader.

STUDENT COUNCIL HELD MEETING

The Student Council held a meeting on Monday, September 26. The order of business follows:

1. \$4,100.00 was received from the main campus for the Highacres budget. This is approximately \$900.00 less than the figure requested. The result must be the cutting of totals requested by organizations where felt needed.
2. The Annual Junior College Conference is to be held Nov. 4 and 5 at Highacres.
3. Tentative Social Activities Calendar: The Social and Arts Committees will provide activities for Friday nights. This Friday, September 30, a record dance will be held.
4. The following persons were appointed as committee heads:
Mr. John Mikulak--Social Activities
Mr. Levi Kishbaugh--Sports
