## CIRCLE K PROJECTS FOR THE YEAR

1. The club served as ushers at the four community concerts that were held at the Hazleton High School throughout the past year.
  2. We provided Bloomsburg State College with literature concerning Circle K work. That College wishes to start a Circle K Club at Bloomsburg through Mr. Wilson of the Berwick Kiwanis.
  3. We assisted the Sorority in the preparation for May Day that was held on May 13, 1961. We helped decorate the Union Building, directed the afternoon traffic, and helped the custodians with the transportation of the organ.
  4. Members of the Circle K Club served as blood donors and also promoted the service among the students by getting volunteers to give blood.
  5. Last November the club held a Citizenship Quotient day at the campus. We had posters up for a week and then had the students fill our Citizen Quotient cards. The project was done in conjunction with a sociology project and the Circle K Club. After the cards were filled out and returned, the sociology group took them and analyzed them as amateur pollsters. Professor McKinstry was the sociology instructor.
  6. At the end of October, the Club organized a lecture in the Union Building that was given by our own campus history instructor, Mr. David Amidon. He talked on the political parties and the Catholic issue in the Presidential election. Also, for this lecture we invited the surrounding Key Clubs and the Hazleton Kiwanis.
  7. At a Speech Concourse that was held at the Wilkes Barre Center on April 21 and 22, the Club sent a member who represented Hazleton Campus in a persuasion speech. There were three students sent to this affair. They were: Levi Kishbaugh, Frank Saul, and George Wanko. Professor Kafka coached these students.
- Next year's officers are: President, Phillip Hampel; Vice-President, Joe Link; Secretary-Treasurer, Dale Yeager. The faculty advisor for Circle K is Mr. Schneider.
