

OSGA OFFICERS ELECTED

Robert Fisher, outgoing president of the Pottsville Center SGA, was elected 1961-1962 president of the Organization of Student Government Associations at the annual spring meeting last weekend.

Our newly elected officers are Paul Miller, Hazleton Campus, vice president; Theresa Sardo, Scranton Center, corresponding secretary; and Faith Szuhaj, Altoona campus, treasurer.

Hearings on workshop reports from the March meeting and two general sessions were held during the two-day meeting.

All the workshop reports were accepted in the first general session, after being discussed in the afternoon hearings. Some of the points recommended in the reports include a constitution and by-laws for the formation of the Keystone Society which will provide recognition for the "all-round student citizen" at each campus or center.

The Service Key-Certificate workshop proposed awards to be given to those students who are active in student government. Plans to facilitate communications within the Commonwealth Campus System were made by the Communications workshop.

Also, it was decided to hold the annual summer conference at University Park, Aug. 25 to 27.

In other business of the first general session, Robert G. Bernreuter, special assistant to the president for student affairs, presented trophies to the winners of the Commonwealth Campus tournaments.
