Presents "Sounds of  
The Twenties"**

The World Affairs Club at Highacres held its first meeting of the year on January 29. The program consisted of a recording of the "Sounds of the Twenties"—the voices of the men who made the news. The record was brought by Mr. Robert Epler, the club's advisor.

The World Affairs Club plans bi-weekly meetings for this term. The public is invited to attend. Schedules of the meetings will be posted on the bulletin boards.

**EDITOR'S NOTE**

The Collegian needs someone who is interested in sports to fill the position of Sports Editor. **S.A.C. Announces  
Term's Program**

By JUNE FIEL

The Highacres Social Activities Committee has announced the program of entertainment for the Winter Term.

A dance to welcome back the regular students and to help the newcomers get acquainted was held on January 5, with disc-jockey Gary Brill of WAZL emceeding the affair. Popular tunes were played, courtesy of WAZL.

On January 12, the controversial WTHT program, "Open Mike," was explained by Fred Williams, who heads it. This visit helped to establish good relations with one of Hazleton's radio stations.

On January 19, Mr. Herbert Elkind, representing the Jewish Community center, spoke about the Drama Guild of that organization, pointing out its purpose and its program.

On January 26, two movies were shown in the dining room of the Student Union Building. The first was a cartoon film, Gulliver's Travels, a film based on Jonathan Swift's book satirizing Western pomp. The second film shown was The Silent World.

A Valentine Dance, sponsored by the S.G.R., will be held on February 9 in the S.U.B. Music for the fete will be provided by the Allegros.

**Statement - -**

*The President's Office on January 26 issued the following statement concerning the Easter holiday period:*

A number of students have inquired concerning the possibility of holidays during the religious holy days occurring between April 19 and 22, 1962. During this period, the members of the Jewish faith celebrate Passover on April 19 and 20; members of the Christian faith celebrate Good Friday on April 20 and Easter on April 22.

The present calendar policy establishes a ten-week term without holidays except on Thanksgiving Day and the Fourth of July. This policy is based partly on the experience under the semester plan with the period between fall registration and Thanksgiving which was about ten weeks in length. This was a highly effective work period during which holidays were not required.

The Chaplain and Coordinator of Religious Activities is asking the religious leaders of the com-

**President Explains Needs  
Before Penna. Senate**

**DR. ERIC WALKER**

Dr. Walker appeared before a scheduled joint meeting of the Senate and House Appropriations Committees on January 16. In a 2-hour session, he reviewed Penn State's request for a \$5.5 million increase in its State appropriation for 1962-63, and stated that these additional funds would be used:

|   |                      |             |
|---|----------------------|-------------|
| For residual cost of teaching                   | 2,400 students ..... | \$1,850,000 |
| For salary increases                            | 2,000,000            |             |
| For equipping new building                      | .....                | 650,000     |
| For new agricultural and industrial research... | 1,000,000            |             |

In urging legislative review of Governor Lawrence's proposed \$1.5 million increase, Dr. Walker stated that such a sum would force drastic curtailment of next year's freshman class, the postponment of new research requested by Pennsylvania farmers and businessmen, and a possible increase in student fees to cover competitive faculty salary adjustment.
