## THETA SIGMA PI SORORITY

Theta Sigma Pi and all of its member sisters are anxiously awaiting some of the biggest events on the sorority calendar. Among the coming activities is a Mother-Daughter Tea which has been a rewarding occasion during past years. It is at this informal gathering that the girls can acquaint their mothers with the feminine aspect of the Campus and at the same time provide them with an entertaining talent program conducted by a few of the girls themselves. Tentative dates for the tea are February 25 and March 4.

Already, there is talk of the forthcoming May Crowning, held annually for the last three years by the Sorority. The coming of this festivity has, since its debut at the Hazleton Campus, been greeted with elaborate preparations, anxious discussions, and more than a twinge of excitement.

In the immediate future, the Belles Lettres Society has discussed the possibilities of holding an essay or writing contest, of publishing a history of the Hazleton Campus of Penn State, of conducting a reading festival, and of sponsoring a more extensive art show.

## Highacres Fencing Club Active

By LOREN BITTNER

The Highacres Fencing Club has been holding meetings regularly on Thursday evenings at 8:00. President Richard Bertolini reports membership to be impressive, and increasing weekly. However, he tells us that no new members will be admitted after next week so that teams can be formed to participate in inter-campus competition.

Mr. Goldman, the team's instructor, reports that he has found some potentially good fencers among the present members—particularly the girls. He hopes to have a team ready for competition within five or six weeks.

The present club roster is as follows:

Richard Bertolini (President), Carol Martinique, Fred Matthews, Loren Bittner, Joe Link, Robert Haas, William Casper, Alfred Tencza, Sally Switaj, Lois Lombardo, Grace Ramaize, Mary Garbacik, Rosemary Carey.

## Report on S. G. A.

On Tuesday, January 23, 1962, the Student Association of the Hazleton Campus met with President Richard Bertolini presiding. President Bertolini welcomed the newly elected members: Carol Marciniak and Richard Powell. The newly elected officers were also recognized. They are George Wanko, Vice-President, and Glen Schaefer, Treasurer.

The issue of attendance at the O. S. G. A. conference, which will be held at University Park on February 9, was also discussed. President suggested that Glenn Schaeffer and George Wanko accompany him to the conference.

The second issue under consideration is that of the purchase of an F.M. tuner, which would be installed in the present high-fidelity system in use in the Student Union Building. Ed Soltis quoted prices on four F.M. tuners, one of which will be selected for installation.

Also under consideration, was the possibility of allotting funds to I.C.G. in order to subsidize the annual trip of the organization to the state convention at Harrisburg. However, under present circumstances, President Bertolini noted that while Student Government could not promise to undertake the entire sponsorship of this trip, Student Government would do everything in its power to aid I.C.G. as far as possible. President also noted that it is the duty of Student Government to see that funds are equally appropriated to all organizations.

## CONGO CRISIS —

(Continued from Page 3)

After the Berlin Congress, the I.A.C. reorganized its territory as the Congo Free State. Reports of horrendous atrocities, e.g., cutting off hands of natives as a means of census taking, caused international pressure to be brought against Belgium. To obtain better control over internal conditions, Belgium took possession of the Congo on October 18, 1908, as a colony, a status maintained until 1960.
