

# All Stars Win First Game

## Chess Team Defeats All Opposition

A Chess tournament was held at the Hazleton Campus in the SUB game room on Saturday Nov. 17. There were 4 teams competing: Hazleton Campus, New Kensington, Wyomissing, and DuBois.

Each team consisted of three players who played one opponent from each school.

Out of a possible high score of nine, our boys took eight games coming out on top in the singles event. We were beaten by a good margin in the doubles, however.

## 2 Movies Shown

Two movies sponsored by the Student Government Association of the Hazleton Campus, provided holiday weekend entertainment on November 23. Included in the double feature program were: *A World Is Born*, the story of the beginnings of creation and *The Golden Age of Comedy*, a pictorial history of comedy in the movie-making industry of the United States.

## DDT Students To Be Interviewed

Mr. Joseph McCallus, Placement director at the Hazleton Campus, has announced that Dupont officials will be there to interview job applicants on January 15.

These interviews will be open to Drafting and Design Technology students only, as they concern positions in the Design Division of the Corporation.

## FAVORITE JOKES

Gregg Smith:

What did the beatnik call the government's latest relief plan?  
Cool-Aid.

Paulette Lindenmuth:

What is a booby bird?  
A bird that flies up to a beehive and says, "Boo, bee."

Peter Magazzu:

Why did the moron cut a hole in the rug?

To see the floor show.

Geraldine Ziegler:

Chem. 30.

Phil Jeffries:

A little girl and boy were peeping through a knothole into a nudist camp. The little girl asked, "What are they boys or girls?"

The little boy answered, "I don't know; they don't have any clothes on."

## NEW KENSINGTON PING PONG VICTOR

An Interdistrict Ping Pong Tournament was held at the Penn State center on November 17. It took place in the Game room of the Student Union Building.

The results were as follows: New Kensington won 15 games, DuBois won 6, Wyomissing won 5, Hazleton won 4.

The possible high score was 15, making New Kensington winner of the tournament.

## Hazleton Campus Library Acquisitions

Carmichael, Leonard. *Manual of Child Psychology*. New York, Wiley, 1954.

Dember, William N. *Psychology of Perception*. New York, Holt, 1960.

Prior, Arthur N. *Formal Logic*. New York, Oxford, 1955.

Epstein, B. R. *Some of My Best Friends*. New York, Farrar, 1962.

Zagoria, D. S. *The Sino-Soviet Conflict*. Princeton Univ. Press, 1962.

U. S. Gov. *Congressional Directory, 1962*. Wash. Gov. Print. Off., 1962.

Dressel, Paul L. *Evaluation in Higher Education*. New York, Houghton, 1961.

Osborn, Roger. *Extending Mathematics Understanding*. Columbus, Ohio, Merrill, 1962.

Fujii, John N. *An Introduction to the Elements of Mathematics*. New York, Wiley, 1961.

Fodor, H. G. *Geometry*. London, Hutchinson University Library, 1960.

Olcott, William T. *Field Book of the Skies*. New York, Putnam, 1954.

## Necking Dance

Something on the unusual side confronted PSU students who attended the Necking Dance on November 16. In order to gain admissions to the Student Union Building, where the dance was conducted, students were required to stretch their neck and have it measured — and, of all things, to pay the corresponding price.

Music was provided by a group appropriately known as the Cupids.

## Breakdown At PSU Curricula

An analysis has been made of the Hazleton Campus of Penn State according to the various colleges and curricula. There is now a total of 235 students in attendance.

Of the 9 students in Agriculture, 7 are in the Agriculture curriculum, 1 in Bacteriology, and 1 in Medical Technology.

25 students are enrolled in the College of Business Administration.

Besides the 8 students registered in Chemistry and Physics, there are presently 3 in Chemistry and 1 in Physical Science, giving a total of 12 students in the College of Chemistry and Physics.

The College of Education is divided into the branches of Education, Psychology, and Secondary Education. The enrollment is respectively 23, 4, and 1.

The Engineering and Architectural College total of 141 can be divided as follows: Engineering and Architecture, 30, Electrical Engineering, 5, Drafting and Design Technology, 49, Electrical Engineering Technology, 55, and Production Technology, 2.

The College of Home Economics has 1 student enrolled; Liberal Arts has 20, and Mineral Industries 3.

At this time, there are 23 students in the Division of Counseling and 3 more are classified as Special Students.

All five starters were in double figures as the Hazleton Campus of the Penn State University at Highacres opened its basketball season with a 76-67 victory over Wilkes-Barre PSU Center at the A. D. Thomas gym November 26.

Tom Pugliese and John Rosenstock paced the victors with 18 and 17 points respectively while Tom Randis and Joe Fulton had 14 apiece and Harry Scheidy chipped in with 12 markers.

For Wilkes-Barre, Partilla took scoring honors with 22 points and Prorkowski and Gudaidis each had 14.

Highacres' next game was against Lackawanna Jr. College at Scranton Friday night, Nov. 30, which was too late for newspaper coverage.

## SGA Attempts To Arouse Interest

Mr. Joseph McCallus has announced that every effort is being made to establish communication between students and the members of various committees planning student activities.

These plans are not to be taken lightly or treated as a joke by the people who will benefit the most from them.

The Coffee Hour recently held in the SUB Lounge was successful in that it provided insight into the real feelings of some of the students.

The Student Poll brought forth many constructive and practical ideas, but also unwarranted criticism from those who have no conception of the real effort necessary to make each activity a success.
