

Circle K Helps Students Find Jobs

The Circle K Club, which has been playing an expanded role at the Hazleton Campus, recently formed a committee to extend its service program still further.

The committee, formally titled the Jobs for Students Committee, has, with the co-operation of the Hazleton Kiwanis organization, organized a jobs drive. A special committee has been formed at the local Kiwanis chapter to assist students in obtaining summer jobs. Mr. Harry Costas is chairman of the Kiwanis committee.

Prospective employers call the local Campus and state their job needs. All pertinent information is then posted on a special section of the S.U.B. bulletin board. Students take the initiative from that point on.

If any question exists concerning this program, please contact Carmen Lombardo, Dick Jameson, or Gary Hagenbach.

Circle K is proud of its service program and hopes that it may help you secure employment during the summer vacation. Tell them Circle K sent you . . . It helps.

30th ANNIVERSARY . . .

words of an editorial of the Hazleton Standard-Sentinel were applicable in interpreting the change of status. It said: "It is a practical expression of the faith of the University in the future of this city and its environs. Men of vision are, in effect, saying to us: We find your past efforts for higher education good, and we know we can depend on you in the future."

As we enter our 30th year, let us reflect for a few moments upon the past and turn then with even greater determination toward our plans for the future which will indeed make this "The Crossroads of Tomorrow."
