

Social Events Are Successful As Planned by SGA Committee

R-e-a-d — a-l-l — a-bout — it, about the success of the social events of this present term. Better still, come see for yourself, and become an S.G.A. attendance statistic.

The attendance at the past dances of January 8, 15, and 22 has numbered two hundred and over. Such attendance must speak of fun and enjoyment. However, impressive as it may be, the attendance could still speak much louder. Many of the students still have not crossed the threshold of the SUB on a Friday night. Some of the boys, faced with the scarcity of girls at Highacres, feel that they will be exposed to the same situation at a dance. Dispell your fears, boys. The "lovelies" of the nearby Nursing and Beauty Colleges, aware of your sad plight, graciously flock to the dances here.

If you enjoy movies, visit Highacres February 5 and 26. Check the SUB bulletin board for the advertisement of these coming films.

On February 5, a dance will follow the movie. February 12, just two days before Valentine's Day, could not be by-passed without a Valentine's Dance. February 19 is an open date. That completes the February listing of activities. March begins with a dance on the fifth. It seems as if the twelfths have it as big nights. The annual Las Vegas Night will be held on the 12th. "Step right up and place your bets." You don't want to miss the big time gambling here, carried on without interference. This night has always been a Highacres' special. Now we've arrived at that time again—the end-of-the-term dance, which is scheduled for March 18. Rumor has it that the Jordan Brothers just might be playing at this dance.

There you have the winter schedule of events; all you have to do is cooperate. Put on your "Jerking" shoes, press your movie-going clothes, and practice up on some fast dealing.

Another event to be held during the Spring Term is the Reading Festival for the students at Highacres. The winners of this contest will be sent to University Park for two days for further competition. Mr. Kafka also announced that Allentown would be host for the annual Speech Concourse, which is held in the spring.

The new members were introduced and each was given a copy of the Belles-Lettres Constitution. Refreshments were served.

University Park Hosts Model UN

This term the Undergraduate Student Government sponsored a model United Nations at University Park. Invitations were dealt to all the Commonwealth campuses to participate. The affair was held in Schwab Auditorium on January 29-31.

Walter Kassoway, special assistant to Undergraduate Student Government President, Benjamin Novak, issued the invitation to the delegates of the Press Association of Commonwealth Campuses, Organization of Student Government Associations, and Keystone Society conventions, which were held at the Dubois Campus November 6 and 7. PACC endorsed participation of the Commonwealth Campuses in the Model United Nations and urged Commonwealth Campus students to participate on a voluntary basis in order to promote communications among campuses.

Penn State's Model U.N. is recognized as one of the finest held in the East. Every year prominent members of the United Nations are present for the meeting.

Sorority Plans Agenda for Feb.

The Theta Sigma Pi Sorority at the Hazleton Campus is sponsoring an ice skating party on Saturday, February 6, from 6:30 to 10:00 p. m. Hazle Park is the scene, and all Penn State students are welcome. Tickets can be purchased from any Sorority member.

All three girls will give a talk on the country which they represent and model the native dress.

S. G. A. Vacancies Filled During January

The Student Government Association of the Hazleton Campus of the Pennsylvania State University held its winter term election recently. Six students vied for the S.G.A. seats which were left vacant by Robert Lutz and Stanley Milora who have transferred to University Park. On the ballot were Susan Brown, Larry Dickinson, William Moyer, James Parsons, Esther Summer, and Karen Trimble. Susan Brown and Larry Dickinson were victorious. Susan is a student in the secondary education curriculum, majoring in mathematics. In addition to S.G.A., she is active on the bowling team, in the Belles-Lettres Society, and in the Theta Sigma Pi Service Sorority. Larry Dickinson, a chemical technology student, is also a member of the Social Activities Committee of the Student Union Board.

In addition to electing new members, S.G.A. also appointed Bob Corradini treasurer to fill the vacancy created by former treasurer, Edward Mehalik, who now matriculates at University Park. Bob, who is in the electrical engineering technology program, is also a member of the Social Activities Committee of the Student Union Board, the Parnassus Chapter of the Keystone Society, and the Traffic Committee.
