

## THE LION'S ROAR

The Sports Department of the Highacres Collegian would like to take this opportunity to extend to all incoming Freshmen a hearty welcome. We hope that, so far, your stay at Penn State has been rewarding and that it will continue to be so throughout the year.

The purpose of the Collegian Sports Department is to keep you informed about all the happenings in sports at Highacres, at the Main Campus, and at all the Commonwealth Campuses. However, reviewing the sports news for you can be an impossible task if you refuse to help. In other words, the Sports Department needs you! If you wish to play an active part in this endeavor, please get in touch with us. You can do this in the Student Union Building, Fridays between the fifth and sixth periods, or, you can give your name to Mr. McCallus. In the latter case, we will make it our business to contact you.

### SPORTS IN THE FOREFRONT THIS WEEK

Hallo again, sports fans. Here at the sports corner it looks like a Twins victory all the way in the 1965 World Series. Look-out Dodgers!! Your hopes may have gone down the drain with Koufax. But, who knows, things may turn out differently.....

### HIGHACRES SPORTS NEWS

It was brought to our attention in an interview with Mr. Leister, head of our Physical Education Department, that the intramural basketball program would get under way October 25. Mr. Leister said that the program was in high gear and that he expected a large turnout for this activity. He also mentioned that he would appreciate active student participation in all the sports: Basketball, Bowling, Volleyball, Girl's Basketball etc. It was noted that basketball will be played at the Jewish Community Center, Laurel and Hemlock streets in Hazleton, Monday, Tuesday, and Thursday evenings. Games will begin at five o'clock.

There is a great need for score keepers, time keepers, equipment managers, and officials. If anyone is interested in this part of basketball, please contact Mr. Leister. It would certainly be appreciated.

There shouldn't be any excuse for not attending the games. The time and the place are convenient, and the games are free. So we expect to see you all.
