

### DON'T QUIT!

When things go wrong as they  
sometimes will,  
When the road you are trudging  
seems all up hill,  
When the funds are low and the  
debts are high,  
And you want to smile, but you  
have to sigh,  
When care is pressing you down  
a bit,  
Rest, if you must - but don't  
you quit!

Life is queer with its twists  
and turns,  
As every one of us sometimes  
learns,  
And many a failure turns about  
When he might have won had he  
stuck it out;  
Don't give up, though the pace  
seems slow;  
You might succeed with another  
blow.

Often the goal is nearer than  
It seems to a faint and fal-  
tering man,  
Often the struggler has given  
up,  
When he might have captured  
the victor's cup,  
And he learned too late, when  
the night slipped down  
How close he was to the golden  
crown.

Success is failure turned in-  
side out  
The silver tint of the clouds  
of doubt  
And you never can tell how  
close you are,  
It may be near when it seems  
afar;  
So stick to the fight when you  
are hardest hit.  
It's when things seem worse  
that you mustn't

QUIT!!!!

-----  
Even if you are on the right  
track, you'll get run over if  
you just sit there.

### ATTENTION FELLOW STUDENTS!!!

The collegian announces the  
inauguration of a new column,  
Why Aren't There?, for the  
benefit of students who feel  
that Highacres is lacking some  
essential ingredient for an  
all-around great school.

#### WHY AREN'T THERE?

Why aren't there

1. mirrors in the boys' lavs?
2. tennis facilities on campus
3. better game room regulations?
4. enforced cafeteria regulations?
5. better gymnastic facilities on campus?
6. more school phonograph records?
7. MORE EDITIONS OF THE COLLEGIAN???

Students interested in submitting a Why Aren't There? should contact any Collegian member. Okay students, now it is up to you to keep this column on the go and in the know.

#### TRAINEESHIP AWARD

A former Highacres student, Marcia Juda, was awarded a senior year traineeship for the study of mental retardation. The award is offered by the United States Office of Education. Marcia, a junior at University Park, maintains a 3.68 cumulative average. While at Highacres, Marcia was a reporter on the Collegian, a member of Belles-Lettre and a Theta Sigma Pi Service sorority member.
