DELTA TAU DELTA

The Delta Tau Delta Fraternity has selected its fraternity emblem. The emblem, designed by Allen Smith, represents the Drafting and Design Technology curriculum to which its members belong. The Fraternity, which consists of 31 members, was formed to promote fellowship among the Drafting and Design Technology students and to encourage those in good academic standing to willingly give of their time and efforts to help those not so fortunate fraternity brothers. Mr George Caliva, engineering professor, serves as fraternity advisor and the following are officers
President - Joe Kachurak
Secretary - Dave Case
Treasurer - Joe Romanick

GIVE BLOOD JUNE 3rd! 40 pints covers us; 140 sends blood to Vietnam. Tell Mrs. Tamea now that YOU are willing to give.

MR. MATTEO SPEAKS

Mr. Matteo, a partner in the local accounting firm Palmer and Company spoke to the members of the Business Club. Mr. Matteo, who began his college studies at the Hazleton Campus, spoke mainly of the duties of an accountant, the importance of Certification for an accountant and the possibilities for advancement in business for a good accountant. Mr. Matteo mentioned that in 1965 the average starting salary for accountants just out of college was \$6,600 a year. Following his talk, Mr. Matteo held a brief question and answer period.

CARD PARTY BENEFIT

The Womens' Auxiliary of Highacres held a Card Party and Games Benefit. Guests could play various card games or bingo. There was an Esquire Room for men. Door prizes and prizes on purchased chances were awarded. Because of the success of this endeavor many students can have interest free loans. Up to \$100 cash can be borrowed by any Highacres student who needs cash for books or other minor essentials.
