griculture	13
Arts & Arch.	11
There-Home Economics	11
There are also two	part_time,

here at Highacres, 162 are in their third term, and 74 in their sixth term. The remainder are spread out through the rest of the eight terms offered here.

Two-hundred and eighty-seven students are males and seventy are females - a ratio of 4 boys for every girl, or 4-1 to 1 to be exact.

son, if you are under the impression from magazines and of other subjects. Additional newspapers that college is information, such as courses a swinging place - SEX WISEand if you are a male, High be found in the arrent general acres may disappoint you, but catalogue of Associate Degree if you want a place to learn

and broaden your horizons of Knowledge, Highacres is your best bet. Or the other hand, if you are a girl ...?

NEW ASSOCIATE DEGREE PROGRAM

Beginning with the fall term 1966, the Associate Degree program in Business will be offered at Highacres Campus. The Associate Degree program in Business offers a general business education at college level. It is designed mainly for those students who will not enter the four year baccalaureate-degree-program - whether for scholastie, economic, or, personal reasons. Since business firms are looking for employees with post-high school education to meet advancing needs of present - day jobs, graduates of this program will __achieve better employment opportunities

Many potential employees, when contacted about the new twoyear program in Business, indicated considerable interest - in hiring graduates. Insurance, er adjunct students. retailing, banking, merchandis-ing, and manufacturing were of the 357 students enrolled, some of the areas from which the responses came, and the potential employers indicated that vocational responsibility will be higher than that open to high_school graduates.

> Admission requirements for applicants to this program are -these: A certificate of graduation from an accredited sec-plicant has successfully completed three units of English, two units of Math and 10 units and course description, can. be found in the arrent general programs.
