SGA RELEASES NEW RULES

Due to the continued incidents of rowdyism exhibited at Highacres' social functions, the Student Government Association and the Student Affairs Office have, together, reached a decision concerning the rules and regulations governing large social functions on campus.

The following five items are the new laws instituted by the S.G.A. effective as of the 8th of February, 1968. They are to be adhered to at all dances and enforced by the Social Committee of the S.G.A. and by uniformed guards.

1. No person shall be admitted unless he or she has an identification card with a picture on it from another college or university.
2. Any qualified patron will be allowed to bring a guest, male or female, but, only Hazleton Campus males will be allowed to bring one male companion, and only if they sign for this person and be responsible for his actions.
3. All persons attending a dance will have to be dressed accordingly. This means jackets and ties or other appropriate dress for males, and no slacks or shorts for females.
4. There will be three uniformed guards on duty. Two in the SUB and one in the parking lot.
5. No one will be allowed to sit in his car in the parking lot at any time

CAGERS HAVE OUTSTANDING YEAR'S RECORD

(Highacres Cagers seen in action above.)

The Highacre's basketball team is shooting for a winning season this year in intercampus-league play. So far, the team is boasting an outstanding record of seven wins and three losses and is looking forward to a fine finish. Coach George Bobby says he has hopes that this team will be playing as the eastern representative of the Commonwealth Campuses in the invitation tournament to be held at University Park on March 1 and 2. This is a showdown between the two teams selected as eastern and western representatives of the Commonwealth Campuses.

Consistent fine playing by Irv Carter, "Blade" O'Donnell, Bob Stoffa, Jim Van Horn, and George Kubica has produced this season's worthy

record. Highacre's versatile back-up men, Dave Searfoss, Joe Ligenza, Len Shebosky, Rick Kantor, John Barletta, and Tom Sterba have also aided in making the team's season successful. Coach Bobby feels the squad has great initiative and is working hard with its rugged schedule plus two to three practices per week. "I am very pleased with the team's overall attitude and conduct," he reported, "but my biggest disappointment has been the lack of enthusiasm by the fans." Mr. Bobby believes that more appreciation and support should be demonstrated by the students although he realizes that it is an impossibility for some of our working students to make it to the games. The Collegian sincerely hopes to have your support at the next game.

CONGRATULATIONS TO MR. ESHER

Mr. Frederick N. Esher, a member of the faculty at Highacres, has been notified of his promotion from assistant professor to associate professor of Engineering.

Mr. Esher received his Baccalaureate degree at Stevens Institute of Technology and his Masters at Columbia University.
