DON'T DRINK AND DANCE

Complaints have been received by the members of the Social Activities Committee concerning the behavior of several students attending dances at Highacres while under the influence of alcohol. Senate regulation W-12 prohibits the use of any alcoholic beverage on University property. In the future anyone whose sobriety is questionable will be asked to leave the dance. If necessary, this request will be enforced by the policemen on duty at the affair. This precaution is essential to prevent the occurrence of any disturbances which may lead to the suspension of dances at this campus.

The Student Government Association approved the following people to be appointed to the Student Court. LIBRARY NEWS

For the first time in the history of the Hazleton Campus library, a student handbook has been published. This handbook explains library rules and regulations; procedures for rotating books, and the transformation from the Dewey classification system to the Library of Congress Classification system, which our library is now undergoing. Freshmen received these books during Orientation Week. All Sophomores are requested to pick up a copy in the library. Any criticisms or suggestions for next year's handbook will be greatly appreciated.

Our library is continuing to grow. This summer 678 new books have been added to our shelves. In addition, we are now receiving 176 magazines. A new book list is available on Computers and Computer Programming for anyone interested.

The new Copia II Copying machine is now installed. Pages can be copied for ten cents a page. This machine will be located in the Charge room of the library.

The library will be open Monday to Friday, 8:30 a.m. to 5:00 p.m. and Monday evenings 6:30 p.m. to 9:00 p.m.
