INTERCOLLEGIATE BOWLING

The intercollegiate bowling team is being formed this term. Anyone who wants to try out for the team should contact Tom Caccese or Dean McCallus before November 14. Last years team won the Winter Regional Tournament and participated in the State Invitational Tournament held at University Park where they finished seventh.

INTRAMURAL BASKETBALL

Intramural basketball is in the limelight this term at Highacres.

Eight teams submitted rosters to Mr. George Bobby at the beginning of the term. Five weeks have passed and it looks like the Avengers are playing real serious ball. Their disciplined defense has allowed the opposition to score an average of only 23.8 points per game. The standings and the scores of all the games to date are as follows:

Standings

- 1. Avengers 6-0
- 2. Question Marks 5-1
- 3. Pussys 4-1

Whose Campus?

(Cont'd From Page One)

you know where the capital comes from to finance your various clubs and organizations or how this money is appropriated? Who is responsible for providing social activities and facilities of the Hazleton Campus? Who may use them? For what purposes? What action is your student government taking on the question of Senate Rule W-20?

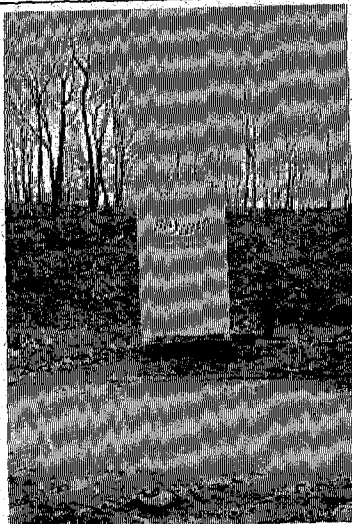

If you are not informed on any of these issues, you are not meeting your responsibility as a student. I am not implying that the break-down between students and SGA is entirely your fault, but you must accept some of the fault. I realize that Student Government is at fault in some respects — the main one being that we have failed to reach out to you and incorporate you into our being.

I accepted this shortcoming when I decided to address you, and I am determined to remedy this if at all possible.

Again, I call for your help. I need your concern and support. I need you so that I can be the kind of president you want to head your government. SGA needs you to build the government; you need us to build the Hazleton Campus. I invite you to attend SGA meetings, to present grievances to us, and to make us aware of what you as students need.

Through this letter I have brought our needs to your attention, and I leave the matter in your hands. I am planning a general rally for the entire student body. I hope you will attend and display your support for your Student Government Association.

Respectfully yours,
Barbara M. Sipler
SGA President

COMERIETY

What's Comeriety? Let's start by saying it's a show designed with you in mind. It has comedy, music and satire too. It was started by interested faculty members to raise funds for student awards. It's an evening's entertainment that you won't forget.

Although Comeriety is a lot of fun, it requires a lot of hard work not only from the faculty but also from the students. It's up to you, the student body, to make Comeriety a success. It will be held winter term. Anyone interested in working on Comeriety, please contact Mr. Shavel as soon as possible.
