

Avengers III win intramural championship again

The Avengers III finished their second straight undefeated season by a 101-85 win over the previously undefeated Great Eight.

The 5:30 tapoff opened one of the finest intramural games ever played at Highacres. Both teams were controlling the ball well during the opening minutes of the Championship Game, and neither team could build a substantial lead. The Avengers, defending intramural champions, called time out in order to discuss their defensive strategy. It must have worked. The Avengers went into a man-to-man formation which left the Great Eight totally confused. The Avengers pounded at the Eight's defense while frustrating their offensive efforts.

Down by 20, the Great Eight finally took time out to regroup. With only a few minutes remaining, they sank a few quick buckets to reduce their halftime deficit to 14 points.

After Halftime, the Great Eight just couldn't get anything together. They managed to contain the Avengers but couldn't mount

any real scoring threat. Barrett, Gogal, and Lehmann were consistently hitting the boards and proved to be just too much scoring power for the Eight.

In a final attempt, the Great Eight put on a spectacular scoring drive late in the game. With a little over a minute remaining, they had reduced the Avenger's lead to 8 points. The Avengers would not be put under. They called time and put in their reliable first team.

With 2 seconds remaining in the game, a full court pass from Caccese to Gogal and a quick layup pushed the Avengers over the century mark. Final score: 101-85.

Vince Gogal lead all scoring with 29 points, followed by Dave Pikna, Steve Barrett, and Uwe Lehmann with 20, 16, and 11 points respectively for the Avengers III.

John Lambertson and Joe Zoeller were high men for the Great Eight with 28 and 27 points.

Both teams played exceptionally well, which was a tribute to their fine basketball talent and true desire to play their best ball.

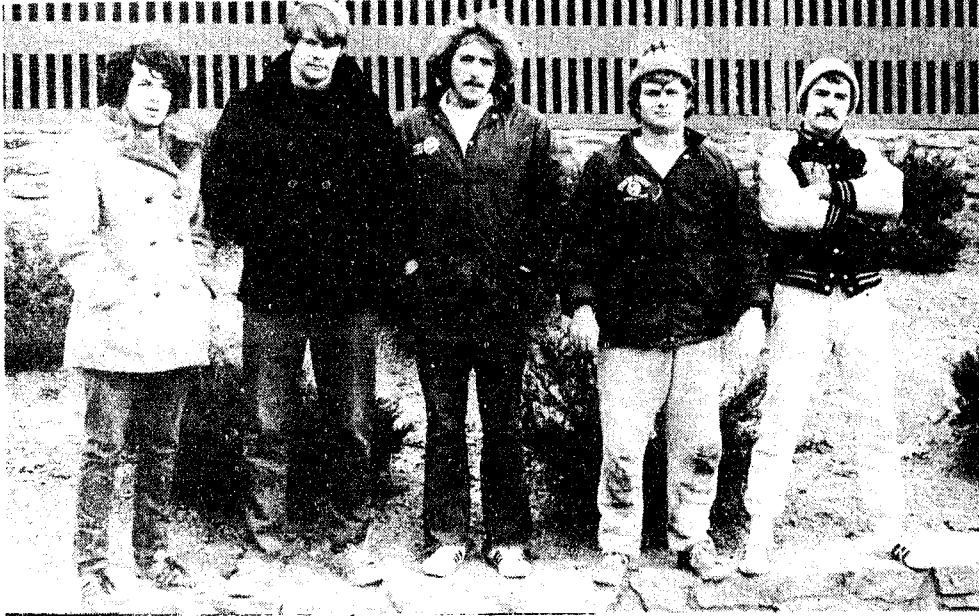

MEMBERS of the Avengers III intramural basketball championship team are from left: FIRST ROW, Dave Pikna, Tom Caccese, John Fallabel and John Wasilko. SECOND ROW: Steve Barrett, Jim Barrett, Vince Gogal, Ron Shaker and Uwe Lehman.

CAR RALLY held recently by the Highacres Car Club was a new experience for many sports car enthusiasts.

DIVISION I CHAMPS of the intramural basketball teams, the Great Eight, was comprised of (from left) FIRST ROW: Paul Pianovich, John Lambertson, Andy Berish and Andy Metrick. SECOND ROW: Larry Kovatch, Larry Falatko, Joe Zoeller, Tim Dougherty and Bob Schreibermaier.
