**Club sponsors
Solo II event**

The Car Club along with the Northeastern region of the Sports Car Club of America held a Solo II event on May 23 in our parking lots. This event was very similar to a Gymkhana Pylan race. There were 30 cars which were entered in 6 categories. They were allowed 4 tries at the course then all the times were averaged for final placing. This event brought in many spectators from the surrounding area. The SCCA also brought many of their race-prepared cars. Finally, Highacres was well represented with Steve Mestrow, former Car Club President, taking first place in his class. There will be another event June 13 starting at 12:30 in our parking lots.

Chris Pogozelski, president of the Highacres Student Government Association, is shown breaking ground last week for the new library (to be constructed by the General State Authority). Others are, from left, Dr. Michael Matsko, chairman of the Hazleton Educational Council, Mrs. Ferry, librarian, and Campus Director Frank Kostos. The new classroom building is in rear.

1971 "Reverie" completed

The first yearbook to be published in the history of Highacres has been completed and delivered, it was announced last week by Chris Pogozelski, editor of the 1971

Reverie. Copies were distributed beginning Thursday, June 3.

The 64-page book contains sections on student life, faculty and administration, clubs,

activities, and graduates. The staff of the 1971 Reverie dedicated the book "to the administration, the faculty, and the students of Highacres." The staff "made this decision in hopes that our dreams and our diligence will be carried out as a yearly tradition at Highacres."

Co-editors for next year's Reverie are Mary Polacik and John Roslevich.

**Handbook
completed**

The 1971-1972 Student Handbook for next fall's incoming freshman has been completed, according to the Office of Student Affairs, sponsor of the annual publication. The 56-page booklet contains pertinent information on all facets of University life, both at Highacres and Main Campus.

The staff consisted of John Roslevich, editor, Arnie Cumsky, Mary Polacik, Anne Hines, and Gloria Smitrovich. Photography was done by Chris Pogozelski, Paul Pianovich, and Uncle Joe. Sports was covered by Tom Caccese. Dean Joseph McCallus acted as advisor for the staff.
