

Soccer team

continued from page nine school soccer experience, as compared with Hazleton's freshman-sophomore line-up.

In addition, the Altoona and Delaware campuses were included in the schedule this year, thus expanding the range of competition. Injuries, although generally not serious, harassed the team all season, requiring a great deal of off-the-bench substitution.

Coach Ron Biggers, who did a fine job in the face of tough conditions, is anticipating a much-improved team for 1974. It is hoped that the lessons learned this year will pay off in developing strong returning sophomore players, and that experienced new students will participate in the sport next fall.
