

BIKE-A-THON HELD

The second annual bike-a-thon for cancer was held Saturday, October 13. The route began at the Highacres Campus and ended at Lake View Log Cabin, a total distance of 21 miles. Riders representing the Highacres Campus were Mr. Everitt Binns, Assistant Dean, Dr. Jerry Covert, Beth Dormer, Dennis Catino, and Bob Tomaino. Ken Heydt served as Bike-a-thon chairman. Mr. Binns received the most pledges for the American Cancer Society.

Now is the time -

UNITED FUND !

Contributions are now being taken for the United Fund. The following services are performed by the United Fund: family and children's services, health and rehabilitation services, and recreation and creative leisure services.

Dr. Aurand has been collecting for the past five years at Highacres. Contributions are made by faculty, staff, or students. For the past two years, Highacres was presented with Certificates of Merit.

EXHIBITS WANTED

Library

In addition to numerous books, the Highacres library offers many facilities to the students. Available for student use are a copy machine, a film loop projector and several cassette players. A new sign making machine has also been added. The library will supply the ink and the type, but the user must bring his own paper or cardboard. An engineering calculator is another new addition.

Located downstairs are art exhibits, placed there periodically by Student Affairs. Exhibit cases are available for anyone wanting to display rare objects or collections.
