

GYMNASTICS CLUB

continued from page nine

may use Room Seven in the basement of the Main Building at any time during periods first through sixth. Anyone who wishes to use the room is asked to contact Mrs. Jago beforehand and have another clubmember accompany him for safety reasons.

Anyone having further questions should contact Tom Urosevich or Mrs. Jago.

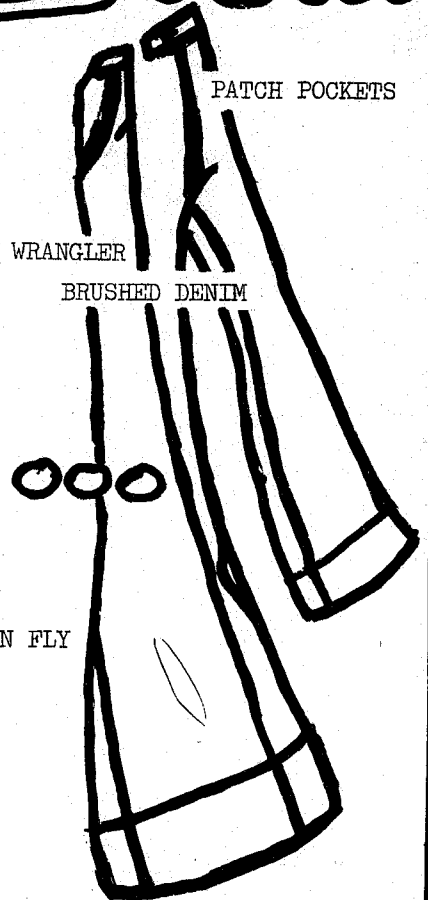

INTRAMURAL SPORTS BOARD

At a recent meeting of the Intramural Sports Board officers were elected for the upcoming year. They are as follows; President--Bill Dougherty, Vice President--Carole Shenosky, Secretary--Diana Ferriola.

The constitution's by-laws were reviewed and corrections plus additions were made and accepted by the board. The constitution is now being presented to the Student Government Association for acceptance as a club on the campus. Also discussed were the upcoming sports activities for Winter Term. Carole Shenosky and Brenda Bilek are organizing two indoor sports activities for the men. Ping-pong intramurals will be held downstairs in the SUB game room. Any student who wishes to participate in the latter tournament is to sign up with either of the two girls or Mr. Biggers in the Ph. Ed. office. A small charge of \$.50 is required for participation in the event. A pool tournament will get underway in the latter part of the Winter Term. Bowling intramurals will also be offered to any student who wants to participate in the activity during the Winter Term. The Board is in desperate need of male recruits. Any interested men can see Mr. Biggers in his office during their free periods.
