

# EDGAR WINTER

continued from page four

LaCroix's leadership. Edgar then left that group and after a period of inactivity came out with his new group. His album "They Only Come Out at Night" has soared into the top 10, a pinnacle unequalled by any of his other efforts. Winter has also recently replaced his guitarist with Rick Derringer, a move which I feel will add greatly to the group's music, since Derringer has produced all of Winter's album.

The concert itself was well organized and it showed to great detail the professionalism that is involved with the making of today's music. The sound system was more than adequate for the job and was ready for use on time with none of the customary delay. The light show was excellent. Very few people are aware of the fact that a good light show can make the difference between a good and a bad concert, although this wasn't the case. The music was good, the performance was good, and the crowd reaction was so great that they brought the group back for two encores. This writer hopes that the University Concert Committee will see fit to bring more groups of this caliber to Penn State.

## FRATERNITY MEMBERSHIP OPEN

A Highacres chapter of the Alpha Pi Omega fraternity is being organized by Mr. Binns, Assistant Dean of Student Affairs. Alpha Pi Omega is a service fraternity with chapters on almost every major college campus in the country. Membership is open to all male students, whether two year or four year; however, there is an added benefit to the four year students, in that once the Highacres chapter is chartered, they will be able to transfer their membership directly to the U-Park chapter. Meetings are held in the residence hall lobby on Wednesday nights at 7:00 P.M. Any interested men should contact Mr. Binns.

## HISTORY CLUB

The History Club held officer nominations and elections on Wednesday, October 31. The new officers are Dave Rothrock, President; Mark Otterbine, Vice President; and Linda Gallagher, Secretary-Treasurer.

Plans for a term project were discussed. Possibilities include exhibits in the Library, guest speakers, and field trips of related interests. The membership is still open and interested students are invited to contact the officers or the club advisors, Dr. Harold Aurand or Dr. Eugene Miller.

## SPECIAL APPRECIATION

The Theta Sigma Pi Sorority would like to extend a heartfelt "Thank You" to Collin, Jack, Tom, Ib, Butch, Sam, Jerry, Mark, Dale, and the many others who helped up with the decorations for Las Vegas Nite!
