

SUB CORNER

Elections for the offices of President and Vice-President of the Student Union Board were held Thursday, May 1, in the S.G.A. Office. Voting was limited to active members of the Student Union Board only.

Francie Grencavich won the election for President, while Brad McNab was voted as Vice-President. A Secretary will be appointed by the new President at the beginning of next year.

SUB is divided into six committees, each with its own chairman. These committees include Arts and Cultures, Social Activities, Publications and Promotions, Hospitality, Newsletter and Audio-Visual. Committees are formed and chairmen are selected during the general organizational meeting at the beginning of fall term.

SUB is open to all students on campus. The only requirement is that a person must be willing to work throughout the year.
