The Student Union Board held a special election on October 8 for the purpose of filling the position of vice-president. Jim Kattner was chosen to fill the vacancy left by Brad McNab, who resigned as SUB vice-president because of personal reasons.

## Move over, Buddy Rich!

Because of apparent interest on the part of some students, a stage band is being formed at Highacres. Professors Richard McKinstry and M. Leonard Shaevel are aiding in the formation of this ensemble.

The band will consist of approximately 20 to 25 members and at present has had only one rehearsal. A debut is planned for spring term, at which time a concert will be given under the direction of Mr. Joseph Jumpeter (Highacres music professor who is currently taking courses at University Park). If successful, the stage band will petition SGA for formal organization.

# RHC

The Residence Hall Council is still working to improve dorm life. For example...

The Smoking Committee, made up of two smokers and two non-smokers within RHC, has designated certain areas where smoking is permitted in the Residence Hall. In the lobby, smoking is permitted on the girl's side; the boy's side of the lobby is for non-smokers. In the dining hall, facing the clock, the left side is for non-smokers. The dorm lounge has not been decided upon yet.

The Arts and Cultures Committee sponsored a plant show and contest on November 6. Mr. Fran DeBellis, owner of Terrestria Plant Shop in Hazleton, judged the entries. Prizes were given for the different categories of plants. A question and answer period was conducted after the show.

RHC is looking for an appropriate name for the dorm. Any suggestions will be welcome and may be given to any RHC member.

## Yearbook: Help Sell

The Yearbook will get its advertising sales campaign under way during the first two weeks of winter term. All those who would be willing to help sell ads in the community (whether you have volunteered before or not), are asked to attend the organizational meeting on Thursday, December 4, fourth period, in Memorial 104A. If you cannot attend, please give your name to Tim Mueller, Russell Larock, or Dr. Lerch. The yearbook also needs volunteers for all aspects of production; again, please let us know if you are interested.
