The Student Government Association is the group of elected representatives of the student body, designed to protect the general well-being of the students. It is composed of a president, vice-president, a secretary and treasurer with their assistants, plus ten sophomore student senators. In addition, on October 11 an election will be held to fill the five freshmen student senators vacancies.

To have your name on the ballot in this election, you must be a freshman, and submit a petition for candidacy signed by twenty-five members of the student body to the chairman of the Election Commission in the S.G.A. Office.

This year, Student Government has formed a Highacres Club Advisory Council which provides a means of communication and encourages cooperation between the many clubs on campus and S.G.A. S.G.A. has allocated money to the various clubs and is working on chartering new ones. Also an Organization of Town Independent Students (OTIS) has been created providing information on car pools and housing here at Hazleton and other campuses.

The Student Government is here to serve the student body. All S.G.A. meetings are open to everyone. If you have a problem or a suggestion, one of the first places you should go is Student Government.
