

SGA

The Student Government Association of Highacres is engaged in a number of projects, all with the student in mind.

Presently the Student Government Association and the Student Union Board are working on a newsletter. The S.G.A.-S.U.B. newsletter will function as a first-hand communication medium to inform the campus community of the work and activities of these two organizations.

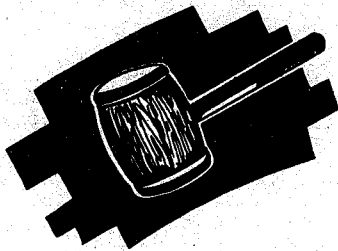

In order to inform the surrounding community of Luzerne County of the activities at Highacres a column written by the Public Relations committee of the S.G.A. is now appearing each Saturday in the "Hazleton Standard Speaker". This column is entitled "Highacres Happenings" and includes news from all the clubs and organizations on campus.

In past years, S.G.A. meetings have been open to everyone on campus, but most people did not know when the meetings were held. Only recently have the dates of the meetings become common knowledge.

In an effort to interpret the University's smoking policy for the campus, S.G.A. has formed a "Smoking committee". This committee is reviewing the University's very general policy on smoking and will set up a specific policy for Highacres.

S.G.A. has formed a committee to look into the problems of drinking alcohol. The committee was formed on a request by the S.G.A. of Lycoming College, which is doing a study of the problems of drinking alcohol on various college campuses. This committee will make a decision regarding support for a lobby to lower the drinking age in Pennsylvania.

Presently students can cash personal checks of up to \$10 at the Hazleton National Bank, with Penn State identification. S.G.A. is trying to make this a policy with other banks as well, and hopefully for larger amounts of money.

RHC

The winter of 1976 should prove to be an enjoyable one for the students in the residence hall. There are a wide variety of helpful, interesting, and unique activities planned that involve all the students living in the dorm.

A Christmas door decorating contest will take place with judging occurring on December 21. Cash prizes of \$10, \$5, and \$3 will go to the people with the three best doors.

A group of students will be Christmas carolling at local hospitals and nursing homes. Anyone that is interested in displaying some Christmas spirit is invited.

Other activities planned are a "Gong Show", movies, and a seminar on human sexuality sponsored by Mr. Boyce, the residence hall coordinator. In addition to the planned activities there will no doubt be many spontaneous events such as snowball fights, tobogganing, skating, and anything else that can be done in cold weather.

POLITICS CLUB FORMED

By Jim Dino

One of the new clubs on the scene at Highacres this year is the Politics Club formed by club advisor Dr. Eugene W. Miller. The club was formed in order that students interested in politics get the opportunity to make, discuss and take part in political activity.

The following people were elected as officers: President, Jim Dino; Vice President, Frank Zwetolity; Secretary-Treasurer, Bill Pepe. The club meets every Wednesday during seventh period in room C-119. New members are welcome.
