identical records: The Jazz and the Blue Bombers both had records of four wins and one loss, and will now enter the playoffs. The Trojans will meet the Jazz; and Wayne's Raiders will meet the Blue Bombers in the first round of the playoffs on February 14. The winners of those two games will meet the following evening in the final championship game.

The women's intramural league consists of three teams. The current leading team is the Hazleton Globetrotters with a record of three wins and no losses. There will be no playoffs in the women's league; very simply the team with the most wins will be crowned champion.

There are currently three bowling leagues, two of which bowl on Wednesday nights, and the third league plays on Thursday nights. In the three man handicap league the current leading team is the Pin Busters, who are only one-half game ahead of the second place team, Uncle Yandy's. In the four man mixed league the leading team is the Turkeys, followed by the Woodchucks. In the five man mixed league the leading team is the Holy Rollers. There is a tie for second place between the Kegler's and Lou's.

For spring term the Physical Education Building will again be open to students at various times. According to Bruce Young, Athletic Coordinator, the gym will be open on Saturdays, from 11:00 A.M. until 3:00 P.M.; assuming that enough people use the gym to make it financially feasible. The gym will be open on Tuesday and Thursday from 12 noon until 9:30 PM and on other days of the week except Friday from 4:30 until 9:30 PM. The remaining hours will depend on the scheduling of Physical Education classes.

ATHLETIC COORDINATOR ASSUMES DUTIES

by Suzanne Dobel

Bruce Young has been appointed athletic coordinator of the Physical Education Building. His appointment became effective January 1, 1977. Young said he plans to help the students in any way possible. "My job here, really, is to be in charge of building activities, setting up and helping students with schedules, and anything else concerning the gym."

Young added, "I am satisfied with my job, so far, but I really plan to get students

involved and to get enough activities going for the students."

"There are no major problems that have arisen as of yet concerning the students," Young said, "except, when they keep asking me when the pool's going to open. I enjoy swimming, and I am anxious to swim in it as soon as possible. There are bright expectations that the pool may be open by spring."
