LOVE NEEDED

searching.

I am not writing this editorial as a prophet, looking downcast over his people, but rather as a human, like the rest of mankind, vulnerable to the same environment, the same hopes and dreams and the same temptations as you, the reader.

In the final analysis, what I am working for is for people to care more for those around them. People need to reach out and share, and as

trite as it may sound, what this world really needs more is, "Love, sweet love - that's the only thing that there's just too little of."

Sincerely,
Arthur L. Boyce III

their good clothes and

wearing them to school. Guys could wear their suits and ties and girls could wear their dresses. We are looking forward to seeing the gals in dresses!

Due to the success of previous coffeehouses the SUB is tentatively planning more coffeehouses. Keep a lookout for posted dates. If you missed the past coffeehouses you still get a chance to get in on these enjoyable experiences.

We would like to thank Mr. Krone, Manager of the Food and Housing Department, for attending a S.U.B. meeting, answering our questions, and acting upon our requests concerning the operation of the Food Service in the Highacres Commons. A question was raised as to why there was a rise in the price of coffee and the use of ceramic cups was terminated. Mr. Krone responded that even though styrofoam cups are more expensive in that they cannot be reused they reduce labor costs. However, he did say that if students would cooperate by cleaning up after themselves it would be possible to return to the use of ceramic cups and simultaneously reduce the price of coffee to its former level of 15 cents.

The S.U.B. is complying with this request by organizing a "Clean up the Commons" campaign. We urge everyone to participate in this worthy cause.

Thank you Mr. Krone for obtaining a diversity of "munchies" in the vending machines. Also, many thanks for getting a greater variety of foods at the Snack Bar.

The S.U.B. would like to thank all the students who participated in the Student Art Show. It was an excellent expression of the artistic talent at Highacres.

Keep your eyes and ears open for upcoming events. We would like you to enjoy attending them as much as we enjoy presenting them.
