Library Losses High Says Ferry

By JOHN SENGLE
COLLEGIAN Staff Writer

520 books have been stolen from the Highacres Library in a two-year period according to Mary Ferry, Highacres Librarian.

"It's a bad situation," said Ferry.

The average cost of a library book is \$12. The cost of a science book is at least \$20. With processing that means that in a two-year period over \$8,000 worth of books have been stolen from the Library.

Ferry feels there is a viable solution to this problem. That solution involves the installation of an electronic detection system. This system would trigger an alarm any time a book was taken out of the Library. "Losses can be cut by 98% to 99%." Ferry said, "The system could pay for itself by reducing the cost in stolen books."

Faculty To Vote On Unionization Today

By PAUL SULLIVAN
COLLEGIAN Staff Writer

Faculty members at Penn State will vote on Wednesday and Thursday, March 30 and 31, to accept or reject representation by a union.

Polling sites will be established at each of the University's Campuses throughout the state; where eligible faculty members are located. The Pennsylvania Labor Relations Board will conduct the election.

Faculty members will have three choices on the ballot: The Pennsylvania State Univer-

sity Professional Association, The American Association of University Professors, and "No Representation."

If none of the options receive a majority of the votes cast on the first ballot, a run-off election between the two options receiving the most votes will be conducted by the P.L.R.B. on Wednesday and Thursday, April 20 and 21.
