

Ski Club Travels To Vermont

By JOHN CONTI
Ski Club Member

Highacres Ski Club ventured to the northern mountains of Sugarbush, Vermont for five days of tough skiing, partying and relaxing.

Everyone enjoyed just being in the presence of such immense beauty. The altitude was high, the air was brisk and clean and the scenery was phenomenal.

Living quarters were set right on the side of the mountain. The Highacres club was broken up into three condominiums according to living style. There was a quiet group that acted normal, a normal group that was rowdy and a rowdy group that was actually too wasted to move most of the time. (However, the latter group were the first ones awake every morning.)

There were no human

fatalities, but there was one expensive ski that didn't fare too well on the mountain's roughest slope.

The snowfall was sufficient but not fantastic. On the last day of the trip, northern Vermont received seven inches of fresh fallen flakes. This skier did not exercise any of the beneficial aspects of the snow. Instead, the snow set the stage for a 450 mile drive of slippery northern highway.

The trip was quite a success and almost every participant spoke of returning next year for a little relaxing, a lot of skiing and of course, a bit of partying.

The trip was arranged by the club president Vaughn Nattress with the help of faculty advisor Dr. Allan Price.

R.H.C.

Continued from page 5

The next day, Sunday, April 17 is the day of the Hazleton March-of-Dimes Walk-a-thon. This activity is a big campus sponsored event and all are urged to help in any way possible, either by walking or volunteering your time in helping those who walk!

For all you baseball fans, R.H.C. is planning to sponsor a bus-trip to see the Phillies vs. St. Louis on April 22. That is College Night at Veterans Stadium and a great time is promised to all who attend. If you are interested in attending, see John Page or Greg James of R.H.C. as soon as possible as the tickets and bus seats are on a first-come, first-serve basis.

On March 30, elections are being held for R.H.C. administration for next year. The offices of R.H.C. president, vice-president, secretary, and treasurer will be chosen and election results will appear in the next issue of THE HIGHACRES COLLEGIAN.

F.O.O.L.S.

Continued from page 9

no great danger to Highacres, Hazleton, or the world. They are simply members of the Fraternal Order Of Lunatics of Highacres and were attempting to dispense some insanity to their fellow campus lunatics.

The Fraternal Order Of Lunatics (F.O.O.L.S.) was established in October, 1976 and was founded for the purpose of bringing together Highacres students and staff members who believe in having fun by acting in any manner that pleases them, as long as those actions do not infringe upon other people's considerations in any way.

Now in its fifth month of operation, after sponsoring events such as Be Kind To Earthworm Week and National Earthworm Day and participating in The Highacres Comeriety Night, the F.O.O.L.S is expanding. Requests to formulate branch chapters have come from the University Park, Wilkes-Barre, and Scranton Campuses of Penn State and local high schools.

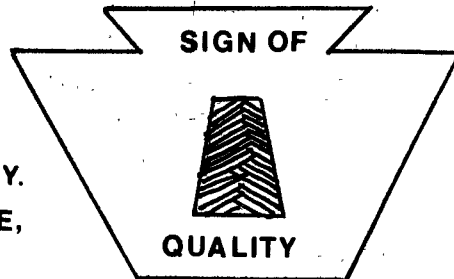

During the Spring term the Highacres chapter of the F.O.O.L.S. plans to sponsor a Rutherford B. Haynes look-a-like contest, Gurdzunda Day, and a Halloween party. Membership is open to all students and staff members. To join, all one has to do is to attend a meeting and take the membership oath. One then becomes a full-fledged F.O.O.L.

Thanks

The COLLEGIAN staff extends thanks to the Student Government Association for the use of its typewriter in a crucial period. We also thank Mr. Everitt Binns, Mr. Arthur Boyce, and the S.G.A. department of Club finances for assistance in helping the COLLEGIAN obtain a new typewriter.
