

SGA

Marc Rovito

Dear Highacres Student,

I am Marc Rovito, President of your Student Government Association (SGA) for the 1978-1979 school year.

Each day, I am asked by many people what the SGA is all about. So, for my first newsletter I would like to give you a short summary.

The SGA is composed of myself; Vice-president, Kim Parsons; Secretary, JoAnne Polzella; Treasurer, Claude Parnell; and a host of sophomore and freshman Senators. It has two main functions. One is to allocate the money it received from University Park to the variety of clubs and organizations of our own campus. The other is that SGA is the governing body on campus. Anything you would like to see accomplished on campus, should therefore be brought to the attention of your Student Government Association. This can be done by attending the meetings, which are open to all, and all are welcome.

One of the first activities SGA has undertaken is to obtain tickets from University Park for "All U Day" which will be held September 30th this year.

During the fifth week of this term, the SGA will be holding elections for senatorial positions. There are two positions open for sophomore senators and five position openings for freshman senators. If you are interested in running for one of these seven positions and need or want more information on the duties of an SGA senator, contact myself or any one of the SGA senators.

There is one last remark I would like to add, and it is the most important: the SGA is yours to use, use it to its fullest. Talk to myself, the other officers, or your student senators: Gerry Nork, Kenny Dudeck, Al Cwalina, Rob Blyler, Robin Troyanoski, Robyn Kuchera, Jim Lyman, Matt Marcinek, Tom Reed, and Will Donner.

Respectfully yours,

Marc Rovito, SGA president

FOOLS

by Doug Wright
Dean of FOOLS

Last year was not a very active year for the FOOLS for different reasons. This year we would like to change that, and have more than two or three activities planned to excite you. We've discussed a few possibilities at our first meeting, but as yet we have nothing concrete. There will be signs around campus advertising our next meeting and everyone is welcome to come and make FOOLS of themselves. So, if you're tired of seeing the same events at Highacres sit in on our next meeting and give us your FOOLish ideas!

CHEERLEADING

by Robin Kuchera

This year's cheerleading tryouts will prove to be very competitive. Twenty freshman girls will vie for the eight positions open on the squad. Tryouts will be held October 11 in the gym at 6:30 p.m.

The girls will be judged in four areas on a total of 100 possible points. The areas are execution of cheers and routines 50 points, poise and appearance 20 points, pep 20 points, and creativity of individual cheer 20 points.

The girls are under the direction of Robyn Kuchera, Marla Kleckner, and Rose Skrabak. Mrs. Debbie Caccese is the head coach.

Bible Study

By Terri Wielgorz

The Bible Study Club is a group of students and professors interested in learning God's word and how it pertains to our own lives. It is a group of people that want to be together for Christian Fellowship in order to advance the Kingdom of God. Anyone is invited to attend meetings so please come if you are interested.

There will be signs to let you know when and where the meetings will be held.

Romans 15:4 "For whatsoever things were written aforetime were written for our learning, that we, through patience and comfort of the Scriptures might have hope."

Those who boast they have never made a mistake have never tried anything new.

Radio Club

by Kenny Dudeck

I am Kenny Dudeck, the President of the Hazleton Campus radio station, WHCB. This station broadcasts on 1580 KHZ, which is hardly known to sophomores and non-existent to the freshman.

Problems have plagued the station in the past years, but this year with the help of the SGA and many interested club members, the radio station should be a huge success.

We broadcast at approximately 8.5 wattscurrent. This low power, which only allows reception in the near vicinity of the campus, allows us much flexibility with the rules and regulations of the F.C.C.

Also, we are going to be carried in the Commons and the dining hall by way of direct phone lines to both of those buildings.

Our program consists entirely of music, with the only news being the Highacres Happenings. This will consist of announcements that pertain to both the academic and non-academic events occurring on the campus.

The music we will play will consist of 50 percent top 40 and 50 percent to the D.J.'s liking.

We hope you will enjoy our service to you because remember, WHCB is your radio station.

Circle K

by Mary Pat Cowan

Sponsored by the Kiwanis Club of Hazleton, the Circle K Club conducts activities projects that service National Health projects, the community of Hazleton, and our campus. The club offers an excellent opportunity to go places and meet new people.

Although Circle K is entitled as a Business and Economics Club, the membership is open to any interested and ambitious student. So come on out and have a good time, it's going to be a great year!

by Tom Reed

The service Fraternity had its first meeting Tuesday, Sept. 12, at 7:00 p.m., in the commons. This Frat was created on campus in 1972, and since then we have helped with campus and community activities.

Our major service activities for the year are to help organize the March of Dimes—Hazleton Walkathon and to sponsor other community activities in which the profits go to charity. This year we are planning a Drive for Unicef on Halloween and will try to run a dance on St. Valentine's Day with the profits going to the Heart Fund.

While on the other hand our social

portion plans social gatherings and a few trips to various places. For example, we are planning a trip to the Bloomsburg State Fair and another trip to either a brewery or winery.

There is a charge of \$10.00 to become a brother, but being a brother has many benefits. Our Frat is open to Females also. Anyone interested in joining is welcome to attend our meetings which are held at 2 week intervals on Tuesday evenings in the commons. If you attend a meeting you do not have to join. So, stop in at a meeting, see what we do, and if you would like to join our gang, do it!

Tom Reed, President
Keller Taylor, Vice-President

HCAC

Kim Parsons

by Kim Parsons
Chairperson, HCAC

I would like to welcome all students, faculty and staff to the Hazleton Campus for the 1978-1979 school year on behalf of the Student Government Association and Highacres Club Advisory Council.

As vice-president of SGA I have the privilege of being the chairman of HCAC. The Highacres Club Advisory Council is an SGA committee composed of the presidents of every club and organization on campus.

Our main purpose is communication among the organization. We coordinate the Hazleton Area, March of Dimes, Walkathon and hold various other events around the year, open to everyone on campus.

Again, welcome to Highacres and good luck in the upcoming year.

Sincerely yours,
Kim Parsons
Vice-president, SGA
Chairperson, HCAC
