

New Coordinator Appointed

By Lesa Bagley
Collegian Editor

For those who live in the dorm a new Coordinator was appointed, Tom Shea. Tom is a Penn State graduate and attended Hazleton as a freshmen. He has a B.A. in Psychology and Masters in Secondary Educational Counseling from Penn State.

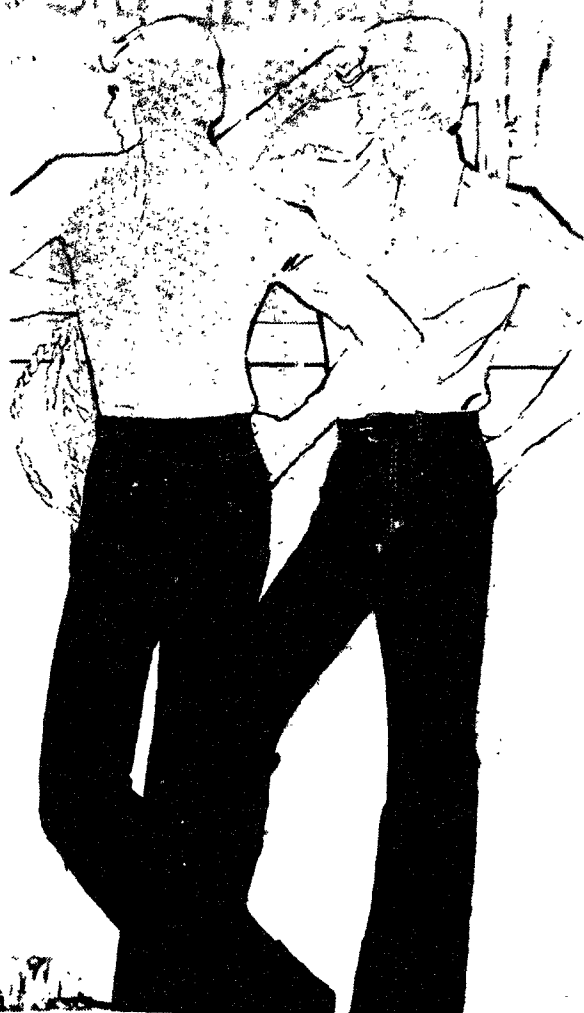

Before coming to Hazleton he was a Guidance Counselor Intern at Tyrone Area High School near Altoona. While looking for a job over the summer, University Park got a hold of his name and on Aug. 21

he was appointed the new Residence Hall Coordinator.

His interests include opera, waterpolo and swimming. Tom sees no problems of fitting in do to a very trained staff.

Tom had two things he wished to express to the residents of the dorm. He will not tolerate people being disrespectful to his Assistants (RA's) and wishes the students would feel at ease to come to see him with any personal problems that may occur. The newspaper staff wishes him a successful year as coordinator.
