On January 15 fans were hosted to a great game on the Condors home court when the Condors pulled a 74-72 win over Northampton Community College in a game that went in to overtime. The game against York Campus which was scheduled for Jan. 17 was postponed until a later date.

On Jan. 20 the Condors lost a real heartbreaker against the first place team (Schuylkill Campus) by the score of 84-82. Even with this the Condors are still very much in contention for the league title.

The fans and cheerleaders have been of great support to the team this year along with a new addition, our own Nittany Lion. Members of the team put in 3 hours a day Monday to Saturday plus away games.

The team and coaches put in a lot of time trying to make Hazleton Campus number one, and it would be appreciated very much if the students would show them some support in the future games.

At the Jan. 27 game against Mont Alto there will be an attempt made to fill the gym, which holds 1200 people. The highest attendance record for this campus is 846. So on Jan. 27 at 2 p.m. make note to come see your Condors trample Mont Alto in a very big game.

For the Condors and their 10-4 record this has been the best start in ten years. If the team continues as it has been, this may be Hazleton's best team ever.

The Condors are looking forward to going to the Commonwealth Campus Playoffs which will be held Feb. 16-17 at Altoona Campus. Give them your support in future games, and help the Condors make it to the playoffs.
