Basketball Wrap-Up

The Condors finished this season third in League play with an impressive 16-7 record. This season has seen Hazleton at the best it has been since 1948-1949, when the record set in that year was 17-5. Paul DeAngelo, who is said to be the backbone of the team, broke six league records this year.

	OLD	NEW
Most pts. in one game	48	50
Most pts. in a season	419	541
Most field goals	189	229
Most free throws	79	83
Most free throws avg.	82.12%	82.18%
Most free throws in a game	16	18

Highlights of this years season included:

The opening game of the year found the Condors with a 114-45 win over RedRock Junior College. They continued to pile up the points with a 75-74 win over Keystone, the number one ranked team in Pennsylvania's Junior Colleges. The first league game added a 90-55 win over Scranton. The "Holiday Basketball Classic" a tournament which was held at Highacres during Christmas pitted the Condors against Allentown. Again we bring home a victory 73-61. Later in the tournament we beat Schuylkill 89-84 and captured the championship.

January 15 held another great game for the Condors at home against North Hampton a 74-72 win in overtime. It was in a game against Wilkes Barre, that DeAngelo broke a record made by Greg Slusser, the single season scoring record. In a February 10th game with Scranton, Paul broke another record for most points scored in a game. The last game of the year against Alvernia (a four year college), ended our season with a 81-52 win. The league record for the Condors was 11 wins and 2 losses.

Next years basketball team looks good. Marsicano, Wagner and Swaska will be returning to the starting line up and the local high school talent looks impressive. At

the end of this school year, we will be losing co-captain Galasieki and Kuzo to the Capitol Campus of Penn State. Simpson, Burke, Dinsmore and DeAngelo will be transferring to University Park.

Most Commonwealth Campus players end their career at one of the branch campuses. But, there is always an exception to every rule. In this case the exception is Paul DeAngelo. Due to the fine performance of Paul during the '78-'79 season, Highacres would like to see him become a part of the basketball team at the Main Campus. Paul, we wish you the best of luck in your career, both academically and scholastically. Paul is a very fine athlete, but he didn't win those games alone. Credit is long overdue, but certainly not forgotten for the team coach, Mr. Caccese, as well as for the entire Condor team. Congratulations guys on a truly great season. We're proud of you all.

SWIM TEAM

This year the swim team has become the sixth period competitive swimming and diving class. Anyone who may be interested in joining, is welcome. Please see Mrs. Jago for further details. Experience is not necessary, just the desire to swim. To date, the team has twenty members (9 girls and 11 guys). The first home meet is scheduled for April 5th against Ogontz, and will begin at 7 p.m. Last year the girls tied Ogontz, so it is sure to be an exciting competition. The team needs your support, so please make the effort to at least come and see our team "beat" Ogontz this year. One final note, the Commonwealth Campus Tournament will be held April 21 at University Park.

The guy's tennis team has four members returning: Eric French, Chris Smith, Greg John and Tony Kender. Dale Malcovich is transferring from Altoona where he has played tennis. The tennis team has 18 guys trying out and the team will have to be narrowed down to 8 players by their first game on April 10th.
