Directory, formal dance comprise SGA projects

by Lisa Ragazzi

The Student Government Association has been working overtime since Fall Term. Our first project was the Student Directory to benefit the entire student body in numerous ways. First of all, it provides the students with a handy listing of the students on campus along with their term classification, major, home address and phone, and local address and phone. With this information at their fingertips, the students may find the directory useful for finding someone to commute to and from campus with, someone in their major who would like to sell their books, or even a tutor. The directory will be kept up to date by providing an addition and correction sheet each term.

I would publically like to thank the following people for their time and cooperation in the publication of the directory: John Balas, Jeanne Beam, Joe Broschak, Wally Dias, Cindi Fagan, Michael Ford, Don Green, Paul Huffman, Scott Kramer, Joanne Kulp, Sandy McCoy, Joanne Moerschbacher, Kim Mulligan, Sue Novak, Kathy Peters, Faith Petrovich and Ken Schugardt. I would also like to thank Mr. Cerulla and the

Security Staff for their cooperation during the printing of the directory.

The next major SGA sponsored event was a Semi-Formal Christmas Dinner-Dance on December 14 at Stefanisko's Fiesta Room on Route 309 in Hazleton. The Semi began at 7:30 pm and featured a homestyle dinner. Following the dinner, music was provided from 9:00 pm 'til 1:00 am by the FANTASTIC "TNT." Also included was an unlimited soda bar. The meal, the dancing and all the soda you could drink was included in the low price of \$7.00.

Also, still in the planning stages, is the idea to extend the Laurel Mall bus run to Highacres during Winter Term to aid those students who do not have their own means of transportation and those who dread driving in the terrible Hazleton weather. A trial run will be conducted in early January to see how many students will respond to the idea. If there is a large turnout, the idea will probably be carried on throughout Winter Term. So plan now to ride the bus, and leave the driving to us!!

Well I guess that's about it for now for the SGA Calendar. I hope that your term is as exciting as ours will be!
