IN THE COMMONS

"There's a Starman
Waiting in the sky
He'd like to come and
meet us — but he
thinks he'd blow our
minds..." David Bowie

Say you don't know what to wear to the Incognito Dance? Don't worry, because the truth is a terrific looking spf costume can be put together in minutes with simple materials found in most any household. How about those dark sun-glasses of yours, sure, they'd work fine. Hey, you know that ugly old raincoat your father used to wear — golly, that'd be swell. Say, don't you have an old hat in the attic? Of course you do! You see, going incognito is really quite easy.
