

we grieve over their deaths. Yet at the same time we also reminisce about all of the wonderful qualities they possessed and the impact they had on our lives. We remember all of the good qualities, all of the funny moments, all of the success that they enjoyed in their lives.

These pleasant flashbacks allow us to go on with life despite the loss. Harmon and Anne Pierce brought a new spirit to the Hazleton Campus and the local community of Hazleton, a spirit that had been non-existent here for quite a long time. We shall always remember the Pierces.
