

Personals

Jill, (2nd Floor South)
You're like the wind through my
dreams,
You ride the night next to me,
You lead me through moonlight
only to burn me with the sun,
You've taken my heart but you
don't know what you've done.
Feel your breath on my face,
You're body close to me,
Can't look in your eyes,
You're outta my league.
Just a fool to believe I have any-
thing you need,
Your like the wind.
