 Paul,
 I don't know where to begin. You
 have made these 2 years here un-
 forgettable! We had a lot of good
 times that we've shared together
 especially CI, Mister Donut, clos-
 ets & most of all, 22. You are the
 best friend that I could ever ask
 for. You've put up w/ all my shit &
 were always there when I needed a
 shoulder to cry on. I have had so
 much fun this past year - you have
 made me so happy! Thanks for be-
 ing you & letting me into your
 life. And thanks for being #1. I
 can never forget you for that rea-
 son. You're a very special part of
 me.

Love, Gina

 ultimate in pure satisfaction.

 Sorry, dude - no more help for
 you next year - in anything! Let's
 steal some good signs this sum-
 mer. Keep eating the Nip-Chee's.
 Todd

 Scott,
 To the only one of us who has
 morals. It's a good thing you got a
 job in the fall because you would
 lose those morals if you stayed
 with us. I wish you the best of luck
 next fall I'll miss you very much
 but you already know that. My
 door will always be open for you
 next year. Just put the lid down
 when you're done in the bathroom,
 OK?

Love, Deb
