**AAUW / Harriet Wenner McGeehan Scholarship Awarded to Penn State Hazleton Campus Student**

The Harriet Wenner McGeehan / American Association of University Women scholarship for the 1988/89 academic year has been awarded to **Dorothy Maylath** of West Hazleton.

This award, given annually by AAUW and Harriet McGeehan, is given to a woman who is returning to college after having raised a family or in the workplace.

Ms. Maylath is a single parent of four children who is beginning college twelve years after graduating from high school. In order to support her family, she works as a waitress while attending the Penn State Hazleton Campus. Despite the difficulties of working, raising a family and attending college, she has been able to maintain a 3.67 grade point average in the College of Liberal Arts. Her goal is to complete law school and become an attorney.

Harriet Wenner McGeehan in whose honor the scholarship is named is a graduate of Penn State and, prior to her retirement, was a mathematics teacher in the Hazleton schools. She is a member and past president of the Hazleton Educational Council, the advisory board of the Penn State Hazleton Campus. For her community activities, she has received numerous awards; she is a Distinguished Alumna of Penn State. It is her interest in higher education for women, especially women whose lives include raising families and work, that prompted her to fund this annual scholarship given through the American Association of University Women.

Ms. Maylath is a resident of West Hazleton.
