Changes

Each year, a campus goes through changes. Students and faculty come and go, classes change, roommates change, and individuals change.

But the changes that the Hazleton Campus will be facing during the next few years are changes that will have a great impact on everyone.

Right now, plans are underway for the start of our new academic building and Residence Hall. Both buildings are scheduled to be open by the Fall of 1991.

During the week of April 16-20, SGA will sponsor our Annual Spring Week. a week filled with hours of endless fun. The weekend following Spring Week is our Annual Leadership Conference held at Split Rock Lodge.

SGA's final event will be the Spring Semi Formal/Awards Banquet on April 27, 1990 at Genetti's.

So, as you can see, SGA has a full calendar of events planned for this semester! Hope to see you all there!

Keri

Note: Congradulations to Glen Paisley, our newly appointed senator. Also, the Hazleton Campus won

1st place in the Penn State-Pitt Blood Donor Challenge. Yeah!

Last, but not least, Jim Wand called me and is interested in coming back in March. So, what do you think?

The Student Union Board is going to be very busy this semester. We're currently planning all the student activities at our Senate Meetings.

This month features our very well liked, Best Buns and Club Fandango. Best Buns will be Jan. 23 and will be even better than last semester's.

We really need new members to pull off all the programs we want to hold. Our meetings are Tuesday at 12:15 in the Lower Common's TV Room. Please come out and support Hazleton's Party Club, everyone's welcome!

Welcome back to another semester here at Highacres!! OTIS is working on our Guide to Living Off-Campus, which should be ready in Feb. We are also providing a FREE bus ride out to U-Park for students interested in moving there in the Fall (details on pg 8).

Other activities planned are our Bank Survey, Road Rally, Student/Faculty Trivial Pursuit, and Housing Fairs. The only thing missing is YOU!! We need new members who live off-campus in our club. New members are always welcome, so what are you waiting for - Get Involved Today!! Our meetings are every Mon. at 12:15 (Lower Commons).

Anyone needing rides please come to the office and let us help you. If you know of apartments in Hazleton or U-Park available, we'd like to know. Our OTIS ride board is located in Kostos, and is here to serve YOU!!
