Pep Band President  
Glen Paisley

I would like to congratulate our new treasurer Debbi Meihl, our new keyboard player Ann and our new drummer Joe.

Our carnation sale with the Chorus went well and we're planning a basketball game with our faculty against the News Crew from WYOU TV 22 in March. We are also planning on helping The Greater Hazleton Cancer Society Telethon in late February.

Look for our feature story in the Hazleton Standard-Speaker about our being the only established Pep Band among the other Commonwealth Campuses. We are also believed to be one of only a handful of Pep Bands in two year colleges nationwide.

New members are always welcome!

Christine O'Brien  
SUB President

SUB membership is up, meetings are good, and Best Buns II was a success. I would like to thank WHCB and all the SUB members who helped.

SUB and ROTC will be presenting The Valentines Dance on Feb. 14 to help Hazleton Campus celebrate. Remember, SUB meetings are Tue. 12:15 in the Commons.

Collegian Co-Editor  
Todd Niziol

Are there any other Journalism majors at Penn State Hazleton?

We at the Collegian are in desperate need of writers. I find it very hard to believe that we are the only students interested in Journalism as a career. If there are Journalism majors out there, we need you now.

New members are a must since there are only five members on staff. We are going to have weekly meetings at 12:00 on Mondays. These meetings will be in the Collegian office in the Lower Commons.

New members are always welcome and Journalism Majors ought to get involved before they head up to U-Park!
