

WE EXPLAIN

With this issue, the staff of the Hazleton "Collegian" presents a new paper. By offering you a mimeographed news sheet, we will be able to shorten the time between the composing and publication of the paper. Moreover, the reduced cost of printing will enable us to appear often enough to carry items of genuine news interest--in other words to become a newspaper in the literal sense of the word.

Our present plans call for a bi-weekly issue. We have every reason to believe, however, that with sufficient interest and cooperation a regular weekly appearance will be possible.

This issue of the "Collegian" represents the work of a reduced staff. There being several vacancies, we can offer space to gossipers, sports dopsters, artists, snoopers, or what can you do. If interested, be in Room 4 tomorrow (Tuesday) at 12:30. And whether you plan to try out for the staff or not, shoot along any ideas you may get. Brickbats are as welcome as bouquets.

The STAFF

HUCSTERS BOOK A.Z.A.

For the season's opener, the H.U.C. ping-pong team will take on the A.Z.A. club next Thursday afternoon at 4 o'clock. The contest, which will be played in the Game Room, will find two former HUCster aces, Warshal and Goldberg, playing against their former team mates. With two wins and no losses chalked up in contests with the A.Z.A. club last year, the HUCsters will be out to add a third victory.

In the local's' line-up will be the following: Klemow, Maher, Charles Bruch, Bonner, and McNelis. Klemow, one of last year's aces, was the winner of the 1940-1941 Intra-Center Trophy Tournament.
