

SUGGESTIONS FOR IMPROVING THE CENTER

1. Install an escalator or elevator so that the students won't wear themselves out walking up and down stairs.
2. Line the hall, library, and game room with mirrors in order that the coeds can conveniently comb their lustrous locks and apply war paint whenever they get the notion--which is plenty often.
3. Use John Powers models in the library to attract students who are allergic to books.
4. Install a coke machine selling free cokes only.
5. Have a three-hour recess between all classes.
6. Eliminate sending marks home--or even eliminate marks.
7. Have the bannisters converted into sliding boards.
8. Build a sun deck. Include overstuffed chairs, foot stools, and sun-deck maids (preferably blondes without husbands).

Warfel:--I fainted; they brought me to; so I fainted again.

Warfel's sidekick Miraldo:--Why?

Warfel:--Well, they brought me two more.

OFFICIAL BULLETIN

Students:

Just imagine, our vacation begins at 5 o'clock this afternoon, and we don't have to come back till next year!

Specifically, we must be back at 8:00 A.M. on January 5 (if we are so unlucky as to have 8 o'clocks). And then for those of us who decide to extend our vacations, there's that unpleasant matter of a \$5 assessment (no defense tax).

Dear Aunt Sophronia: (Continued)

some of that very simple German...And aunty, did you know that Miles is in a love triangle? It's Miles, Ann Mariano, and Tillie from Tresckow....Incidentally, Miles recently took on a new extra-curricular activity, that of teaching the art of fudge-making; he learned it at Mariano's. How about a piece of fudge, Fudgie?...Betty and Genevieve still go to the M.&M.I. dances, and by mere coincidence, so do Pinger and Tommy Popovec--we know how you feel, Sholtis!--but--if Bashful Tommy doesn't wake up he may not find himself sitting by Genevieve in German class. Tell him why, Wade....Everyone understands why Sergeant Jose Vazquez is beginning to study projectile problems in calculus....Defense, defense, de-fence, but oh for a real "he-man" for De-gate(is).

Sincerely,
Tranquil Tilly

Faculty Adviser
Mr. Brentin
