## SPORTS

Yes, Sir, H.U.C. has certainly  
turned out some fine "dribbles"...  
Among our notable stars are "Legs"  
McNelis and "PecWee" Cheppa...Mahanoy  
City invaded the H.U.C. gym only to be  
turned back by the score of 53-27....  
The J.V.'s are some stuff--when they  
come out on the floor, the crowd turns  
red-hot--or is that the reflection from  
Mulhall's locks.....

Now to the most exciting game of the  
season--meaning the H.U.C.-S.U.C. game.  
We won 37-25...Both teams fought "tooth  
to nail" but old H.U.C. came through  
in the last few seconds of the game..

The same evening there were rumors  
of a unique "boxing team", but when  
"Hippy" Hoovis trucked his carcass across  
the floor in the J.V. game, there came  
news of a "wrestling team".... Wham!  
Crunch! Plop! that's not Wheaties,  
that's Hoovis.....another interesting  
spectacle occurred when Earl Kuntz yelled  
"We want Pollock." There was a loud  
crash--someone threw in the bench.  
Even with all our power and Hoovis'  
weight advantage, the J.V.'s lost 29-  
22. Speaking of "dribbles", did you see  
Koenigsberg and his New York style of  
playing? He certainly does tear up  
the floor.....

On the other hand.....well on a  
hand..to be specific, a handball team  
has been organized in which six mem-  
bers are officially accounted for..  
Exhibit A--"Bob" Taylor using a stiff  
arm swing past everything, even the  
breeze...His apology, and I quote,  
"That ain't the way we done it at State."  
...The team admits Taylor is good....  
but as for "Shorty" Chase and his abili-  
ties--that's a tall story...
