VOL. IX.—No. 3

HAZLETON UNDERGRADUATE CENTER, HAZLETON, PA.

NOVEMBER 22, 1946

## MASS MEETING WEDNESDAY AT 11:00

### "Turkey Trot" Tuesday Night; "Gabe" Garland To Play

Are you tired of exams? Does your head ache from pouring over your chem book? Those "blue book blues" are over now—for a while anyway. So, if it is relaxation you are looking for, be sure to come to the "Turkey Trot."

This is the second dance given under the supervision of the student council. It will be held at the St. John's auditorium on North Wyoming street. The date is November 26 and the time is 8:30 P. M.

The social committee of the student council, headed by Irene Kochera, has worked hard to make this a bang-up affair. Teddy Broski is in charge of arrangements and has secured the hall and Gabe Garland's orchestra. Anyone who has heard "The Garlanders" knows that there will be plenty of good music.

In charge of refreshments is Rose Deitch. Serving as her assistants are Lorraine DeJoseph, Sarah Nelson, John Ward, and Jack Specht.

Bob Patanovich is doing a swell job on publicity for the "Turkey Trot." He is responsible for securing that eye-catching poster next to the bulletin board.

Dick Barager has been busy rounding up all the talent HUC has to offer for entertainment. Many of the more versatile students have been kind enough to offer their services for that evening.

Participating in the program are: Vocal solos—Alice Lanyon, Jane Kenvin.

Instrumental—Ruth Von Bergen, Anne McHugh, Gladys Lorah.

Skit—John Ward, Eddie Ferdinand, Lorraine DeJoseph.

The admission tickets are free and can be obtained from anyone on the Social Committee whose names were previously mentioned.

The last dance was an undisputable success... so be sure and attend this one. Dress is informal. There will be root beer, women and song! What more can you ask?

### NOTICE TO ALL GI's

Mr. H. M. Zerbe, who is in charge of the school book store, has announced that students studying under the GI Bill 16 or 346 are still entitled to draw supplies from the book store, provided they have not as yet used up their allotted amount.

The majority of the GI Bill students still have a balance on their supply credit card. Supplies can be drawn from the credit card until the balance is exhausted; however, students should use up the balance of their credit cards before the end of the present semester, because no balances will be carried over to the following semester.

If you are in doubt as to the amount of supplies that you are still entitled to, please see Mr. Zerbe at the book store. Book store hours are posted in the game room.

A general meeting will be held at 3:00 P. M. Friday at SUC, followed by a sectional meeting. Centers listed will be in charge:

A banquet will be held at the hotel Friday evening at 6:30, followed by movies and open house at the Center. Saturday is to be devoted to a general meeting in the morning and an afternoon of planned entertainment.

The function of these meetings is to co-ordinate council activities between the Centers, exchange ideas, and to acquaint the various schools with policies and functions of each other.

### Pennsylvania Junior College Loop Formed

At a meeting in Harrisburg on November 16th, the Pennsylvania Junior College Athletic Association was formed. This league will consist of ten members divided into Eastern and Western districts. The teams are as follows:

#### Western District

1. Altoona U. C.
2. Dubois U. C.
3. Johnstown U. C.
4. York Junior College.
5. Dickinson Junior College.

#### Eastern District

1. Bucknell Junior College.
2. Hazleton U. C.
3. Hershey Junior College.
4. Keystone Junior College.
5. Pottsville U. C.

At the close of the season there will be district play-offs. The Eastern play-offs will be in Hazleton, and the Western Division will be held in Altoona. The two victors will vie for state honors. This year, the state championship tilt will be held in Western Pennsylvania, but will alternate with Eastern Pennsylvania every other year. There will be a trophy awarded to each division title holder, with another trophy going to the state champs. In order to gain permanent possession of the trophy it must be won by the same team for three years. Miniature basketballs of gold and silver will be given to each individual player of the teams that participate in the finals. All district play-offs will be held in March.

The P. J. C. A. A. also held discussions on state tournaments in wrestling, boxing, swimming, golf, and track.

Hazleton U. C. was represented at the meeting by Coach Rudman and Mr. Frank Kostos.

### Alumni Scholarship Dance Christmas Night

The Alumni Association of the Hazleton Penn State Undergraduate Center is planning the fifth annual all-college dance to be held Christmas night in Hazleton.

Proceeds from the dance will go into the Robert E. Eiche scholarship fund started in 1939 with the intentions of establishing scholarships on a loan basis for Hazleton students.

The president of our student council will represent HUC in the Alumni Association.

### CLASS SCHEDULE REVISED TO ASSURE ATTENDANCE OF COMPLETE STUDENT BODY

In its first regularly scheduled meeting the student council set Wednesday, November 27, as the date for the Center's first mass assembly in many years. The meeting has been planned to enable members of council to have a closer contact with their constituents.

### ALL CLUBS MUST SUBMIT BUDGET TO COUNCIL BY MONDAY NIGHT

At a meeting of the student council Monday, November 18th, adoption of the present budget plan was deferred until all clubs submitted their individual budgets to the council committee. This must be done by Monday, November 25th, when the council will hold their next session.

It is extremely important that all existing clubs comply with this request. If clubs, that are organized at present, do not submit their budget plans to the council, the money that is allocated to them will be channeled to other activities. Clubs that are not as yet organized, but are in the embryo stage, must be completely organized by February 1, 1947, and their budgets submitted at that time, or their funds will also be channeled to other activities.

The council requested that all clubs send representatives to this meeting, and that they have their budgets made out in clear, precise manner. Too much cannot be said about the importance of complying with the council's wishes. The budget is made to the best advantage of all concerned, and cooperation is needed so books and records can be put in order.

In a meeting in which the progressive attitude of student government was emphasized, the issue of the mass meeting was debated. The difficulties entailed and the advantages to be gained were discussed, and it was decided that an assembly was a necessity. In co-operation with the council, Mr. Goss has announced that the Wednesday morning schedule will be so revised that all students will be able to attend. A copy of that schedule will be found following this article. Attendance will be compulsory.

President Al Keller will preside, and he has announced that all matters concerning the students, scholastic and extra curricular, will be aired.

The auditorium to be used for the meeting has not been decided upon as we go to press; but announcements will be made in all classes in plenty of time for everyone to get to the meeting.

The COLLEGIAN and the council cannot stress too highly the necessity for conduct becoming college students. We will be guests in whatever hall we use; proper behavior will be the best way we can express our gratitude to our benefactor.

#### Revised Schedule

1st class	begins 8:00—ends 8:35
2nd class	begins 8:45—ends 9:20
3rd class	begins 9:30—ends 10:05
4th class	begins 10:15—ends 10:50

Meeting at 11:00.

### HUC MAY OFFER COURSE IN MUSIC INSTRUCTION

Tentative plans are being made to offer a course in Applied Music next semester. This course would involve instruction in various types of instruments, such as: piano, violin, clarinet, etc.

Students taking the course would receive two credits. There would be one hour of recitation, and five hours of practice (practice) per week. For practice sessions it was stated that arrangements may be made with the YWCA and YMCA to secure the use of their pianos during certain hours. An additional fee of \$21.50 would be charged for all those desiring to take the course. For GI's this would be taken care of by the GI Bill of Rights. The reason for this fee is to take care of rental of instruments, purchasing of music, and other expenses peculiar to this type of course. Piano and violin would be specialized, but students would be

free to study any instrument of their choice.

Altoona Undergraduate Center instituted this course with great success, and it is felt that it would be a much desired course here at HUC. Many students have long wished to study some instrument but had been unable to do so before; this would be a wonderful opportunity.

It has come to the attention of Mr. Kreckler that most students seem to walk on the wrong side of the halls during the change in classes. This causes confusion and often results in many accidents of books being scattered over the floor, etc.

It is hoped that in the future, students will walk on their own right at all times when going to and from classes. A change of this sort will result in a more orderly method of procedure.

### Game Room Committee Selected: Clean-up Campaign To Begin

A game room committee in charge of Francis Fatsie, council vice-president, was selected at the last meeting of the student council. The other members of the committee are: Tom Caceese, Ted Broski, Frank Lucia, Dave Keller, and Dick Barager.

This committee will be solely responsible for the game room, and they voiced their intention of starting a clean-up program immediately. They agreed that this action was necessary, and intend to enforce any directives they may install. Their first action is to get sufficient ash trays, and trash receptacles. However, full student co-operation is needed. It has been noted that some students eat their lunch in the room and are extremely careless as to disposing of their waste, also, many pieces of scratch paper usually find their way to the floor instead of the waste basket. As a result of this

practice, flies are becoming numerous and the room usually looks like the aftermath of a firemen's convention. After ash trays are installed students will be asked to refrain from throwing butts and matches into the waste baskets. This is an extremely hazardous practice; one fire has already been seen in one of the baskets, and it is very possible that a serious conflagration could result from this sort of carelessness. So be careful where you throw your butts.

Records are being ordered for the game room, and a coke machine has also been requisitioned. These features will be installed as soon as they become available.

The committee stated that the students would be wise to follow a slightly paraphrased version of the golden rule in regard to the game room, that is, "Do unto HUC, as you would do in your own home."
