## SIDDIRTIT CHATTIEIR

Second Half Scoring Spree By Rudmanites Downs Billporters, 65-47
Although trailing Dickinson Junior College, 29-28, at the end of the firs Center's five began to click in the third and final periods to defeat the upstate quintet, 65-47.
The game opened with Riley sinking two field goals to put HUC out in front 4-0. Abrunzo threw in a deuce to bring the count up to 4-2. Fouls by Riordan and Durback made it 6-2. a foul try grod to pull Dickinson up 6-3. A beautiful one-hand push-shot by Riordan followed up a tap-in by
IGair making the score 8-5. Apichella Gair making the score 8-5. Apichella sank a nice set-shot to bring the score to 10-5. A sensational set-shot
from outside by Staley helped the vifrom outside by Staley helped the vi-
sitors'cause, bringing them up, 10-7. However, in the second stanza Dickinson's offensive began to roll with Naimole and Kriner sharing the spotlight with sixteen points between them. As the half drew to a close the the visitors held a slim one-point
margin, 29-28. A third period attack paced by Riordan, Apichella and paced by Riordan, Apichella and and the locals were once again in command. Outscoring Dickinson 22-11 in the last canto, the Cent
romped to an easy victory.
Riordan, Durback and Apichella led
the Hazleton scoring with 37 points the Hazleton scoring with 37 points among them. Naimole was high sco
er for the contest with 18 tallies.

## Dubois U. C. Proves Too Powerful For

 HUC In 61-44 WinLast Saturday, for the second time
in a week, Joe Valla's Dubois U. C. five set HUC back in defeat. Kokosattack when Dubois played in Hazleton, once again paced the winner
having ten field goals and two fou having ten field goals and two fou
tries for a total of twenty-two points. He was ably-assisted by Keenan and Roth who had twenty-eight tallies between them.
High point-makers for the locals
were Riley, Apichella, and Riordan who accounted for 31 markers, mor than thre-fourthis of the team's en tire scoring.

## Yes! He's a

 Friend of MineGentlemen! Or shall we just say
men? Are you interested in the femen? Are you interested in the fe-
male opinion about your wearing apmale opinion about your wearing ap-
parel? of course you are, because there is more pride and vanity in men than women.
A survey, taken this week, proved isame likes and dislikes. They like tweeds and gabardines, They like the latter when two shades are blend-ed-blue trousens, tan jackets-grey
trousers, blue jackets; it seems that trousers, blue jackets; it seems that
the choice of shirts is immaterial, as the choice of shirts is immaterial, as
long as you have a spread collar and a Windsor knot in your tie. Sweater vests look well with an outfit like this, iBy the way, the girls feel that bow
ties belong exclusively to Frankie. The socks are unimportant becaus
they aren't seen much anyway. That they aren't seen much anyway. That In the line of shoes loafers took fir place, saddes second and oxfords
third.
How about coats and hats? Well, the girls think belted coats are nice,
but loose, boxy coats are nicer and look much better on the wearer. And fellows, they just love those Joe Col lege hats! Because women are crazz that is out-of-this-world. Plaid shint
thats they will lave and and reindeer sweaters were mentioned caused an awful lot of noise in th hall.
Yes, men, when you are nearly dressed, have personality and charac-
ter, a girl is proud to say, "He's a
friend of mine"

## VETERANS' COLUMN

The training officer from the Veterans Administration will be here at
the Walnut Street Building every Tuesday and Thursday of this month at the following hours:
Tuesday 10 A.M. to 12 P.M. and
1 P.M. to 3 P.M. Thursday 10 A.
P.M. to 3 P.M.

Regulations require that the vete ran must contact his training officer rat least once a month. When you
training officer calls for his check re training officer calls for his check re-
port at the end of the month be sure port at the end of the
that you contact him.

If you receive a Form No. 1963 chrough the mail with your nex mediately to the regional office or $t$ your training officer.
MARRIED VETS or veterans who claim dependents, if you have not al ready applied for benefits, do so im
mediately. These benefits are not retroactive to the date of dependency tbut are retroactive only to the date of application.
IT JUST AIN'T SO-You've pro bably heard during one of your free
periods (if you have any) that Vete periods (if you have any) that Vete-
rans in training are going to receive thro hundred dollars a month with vets. Well, we get it straight from RUMOR-so continue to struggle a

## Talk About Russia

## By PEARL S. BUCK

Publisher: John Day Co., New York This book, which might be more correctly titled A Talk About the
Soviet Union, is a lucid and uncompromising example of the life of a citizen in that "struggling giant," so commonly referred to as Russia. The facts given here are merely experiences of one, Masha Kalenovich of Russian peasantry the lowest level of Russian peasantry, rose to a positional and social circles.
The author of this book had, as so many Americans do today, a fear
based on ignorance of the "Soviet Dragon"; yet unlike many contemporaries she did something about it. There were several methods by which he author could secure more than a
superficial knowledge of this subject, however, she chose the unique way of getting first hand knowledge by talking to a Russian citizen. One of her recent. acquaintances, Masha cott, was chosen as the model Rusian citizen. Although Masha refers continually to average citizens, it is aite evident that she herself has There are many interesting. in the book to give the reader details sight on the general make-up of the Russian masses. The relationship mong the many minority groups is explained; the reasons for the sucess of Communist leaders in organderstood masses in more clearly unacts given in the book. the simple acts given in the book
Masha Scott, wife of an American, family that became "collectivists" in the vast Soviet economic system to raise the Russian standard of living. She points out with pride to this fact and constantly refers to it throughber and her reason for this fact "raises no eyebrows."
Pearl S. Buck, author of numerus books on China, among them the Earth, illustrates her versatility by turning momentarily to the highly distorted subject of Russia. In true bout the Soviet Union, which, alhough it is not entirely inclusive, as probably no book can be, enlightens author definitely accomplishes her purpose as stated in the opening paragraph. Pearl Buck has chosen her central character wisely. The choice shows desire to eliminate from the wook the distorted visions of "one leading figure. develops theter of the of the reader and leaves him with lit tle doubt in mind that he has been accurately, if not conclusively, informed on this highly volatile subject.
The summary of the book is clearstated. In plain words the author nswer to the and Books" is the three-fourths of the world's populaion of underfed, ill-housed, ignorant, " With sound reasoning she issues her warning:
